MRS. GRAHAM'S Cucumber and Elder Flower Cream. It is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies, it creates a soft, smooth, clear, healthy skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sunburn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. Price \$1.00, at all druggists and hairdressers, or at Mrs. G. W. Simpson's establishment, 122 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter.
