

THE PRACTICAL POLITICS OF PRINCIPLE.

As soon as the democratic party can possibly do so, it will certainly revise the entire tariff and cut duties down to an average of under 30 per cent.

But everybody knows that no general bill can pass at this session of congress. To attempt to pass it in good faith would be to invite compromises with the senate.

Supposing that a general bill could now pass, its average reduction throughout all schedules would hardly bring the tariff to the basis of the viciously and ruinously high tariff of 1853.

But this is merely theorizing. As a matter of practical politics no omnibus bill can be forced through the senate now.

- 1-Free binder twine, cordage and cotton ties.
2-Free barbed wire and wire rods.
3-Free lumber.
4-Free coal.
5-Free iron ore.

By the "revenue basis" the Republic means a tax not to exceed 30 per cent.

These bills speak for themselves. At most every one of them reaches for a trust. Every one of them represents 100 per cent reform.

It is actually economy to drink Bosch's Tea. Being absolutely pure, it is much stronger than the artificial teas, about one third less of it, or about twenty grains, being equal per cup.

MRS. GRAHAM'S Cucumber and Elder Flower Cream. Is not a cosmetic in the sense in which that term is usually used, but permanently beautifies, it softens, whitens, smooths, clears, softens skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind, and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin, tissues and prevents the formation of wrinkles; it gives the complexion, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to the face than any other preparation. It contains no acid, powder or alkali, and is as harmless as dew and as refreshing to the skin as dew is to the flower. Price \$1.00, at all druggists and hairdressers, or at Mrs. Graham's establishment, 405 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance tracked by letter, send stamp for her little book "How to be Beautiful." Sample Bottle sent free to any lady on receipt of 10 cents in stamps or 1 cent in stamps and postage and pack. For sale by agents wanted.

MRS. GRAHAM'S Face Bleach. Cures the worst cases of freckles, sunburn, sallowness, moth patches, pimples and all skin blemishes. Price \$1.00. Harmless and effective; no sample can be sent; lady agents wanted. The Druggist in this town who first orders a sample will have his name added to this advertisement. My preparations are for sale by wholesale druggists in Chicago and every city west of it.

Marshall, Brunswick House, S. E.; Geo. A. Werner, 531 California St., S. E.; Mrs. C. Melvin, 156 Kearny St., S. E.; and many others who have found relief from constipation and sick headaches. G. W. Vineyard, of 6 Terrence Court, S. F. writes: "I am 62 years of age and have been troubled with constipation for 25 years. I was recently induced to try Joy's Vegetable Sarsaparilla. I recognized it at it at once as the herb that the Mexicans used to give me in the early 50's for bowel troubles. (I came to California in 1852), and I knew it would help me and it has. For the first time in years I can sleep well and my system is regular and in splendid condition. The old Mexican herbs in this remedy are a certain cure in constipation and bowel troubles." Ask for

There are many indications just now pointing to the fact that the administration is attempting to so conduct the Chilian difficulty as to strengthen the republican party in the next campaign.

A dispatch from Atlanta Georgia says: The state executive committee of alliance does not want the peoples' party.

It is noticeable that republicans all over the country are becoming restless over the condition of things in their party as to a presidential candidate.

There is nothing that creates so much alarm among administration republicans as the reported statement of Holman, chairman of the appropriation committee.
