What is

CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for infants and children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children of which I am acquainted. I hope the day is not far distant when mothers will no longer feel the interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other harmful agents down their throats, thereby sending them to premature graves."

Dr. J. C. Osmond,
Lowell, Mass.

Castoria.

"Castoria is so well adapted to children that I recommend it as a superior remedy prescription known to me."

H. A. Adams, M. D.,
Hills, Ohio; H. A. Adams, N. Y.

"Our physicians in the children's department have greater faith in their experience in their various practices with Castoria, and although we only have minor cases of colic, worms, etc., which is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Dr. J. F. Kinsman,
Conway, Ark.

Oh, What an Awful Breath!
There is nothing more healthful than onions. The trouble is that persons are afraid to eat them because they make the breath unattractive. But there is a less fragrant breath than that freighted with onion. We mean the breath of a person with a foul stomach. Take him away! He inwardly cries when he whispers in our ear. Do see that your breath is pure. Take a few Bland's Pills and regulate your liver, stomach and bowels and your breath will be sweet.

WHERE TO GET THEM.—When wanting an organ or piano call on G. L. Blackman where you can select from a first class stock.

Being absolutely pure, it is much stronger than the artificial teas, about one third less of it, or about twenty grains, being required per cup. As there are 7,680 grains to a pound, there will be seen to be between three and four hundred cups to the pound. As it is but 10 cents per pound, this is at the rate of about one fifth of a cent per cup. For sale at Allen Bros.
