**What is**  
**CASTORIA**  
Castoria is Dr. Samuel Pitcher's prescription for Infants  
and Children. It contains neither Opium, Morphine nor  
other Narcotic substance. It is a harmless substitute  
for Paregoric, Drops, Soothing Syrup, and Castor Oil.  
It is Pleasant. Its guarantee is thirty years' use by  
Millions of Mothers. Castoria destroys Worms and allays  
feverishness. Castoria prevents vomiting, Sour Curd,  
cures Diarrhoea and Wind Colic. Castoria relieves  
teething troubles, cures constipation and flatulency.  
Castoria assimilates the food, regulates the stomach  
and bowels, giving healthy and natural sleep. Cas-  
toria is the Children's Panacea—the Mother's Friend.  
**Castoria.**  
"Castoria is an excellent medicine for children.  
Mothers have repeatedly told me of its  
good effect upon their children."  
Dr. G. C. Osceola,  
Lowell, Mass.  
"Castoria is the best remedy for children of  
which I am acquainted. I hope the day is not  
far distant when mothers will consider the real  
interest of their children, and use Castoria  
instead of the various quack nostrums which are  
destroying their loved ones, by forcing opium,  
morphine, soothing syrup and other harmful  
agents down their throats, thereby sending  
them to premature graves."  
Dr. J. F. Kitchener,  
Conway, Ark.  
"Castoria is so well adapted to children that  
I recommend it as superior to any prescription  
known to me."  
H. A. Francis, M. D.,  
Hills, California, Besslyn, N. Y.  
"Our physicians in the children's depart-  
ment have spoken highly of their experi-  
ence in their daily practice with Castoria,  
and although we only have among our  
medical supplies what is known as regular  
prescriptions, yet we are free to confess that the  
merits of Castoria has won us to look with  
favor upon it."

**OSWEGO.**  
The Future Manufacturing Suburb of Portland—Already a Pay Roll of \$19,000.00 Per Month.  
It is a well known fact that a manufactory, employing labor, no matter where situated, is the nucleus of a city. The greater the number of employees, the greater the prospective city. The Krupp gun works of Germany, support a city of 95,000; the Pullman Palace Car Co. of Pullman, Ill., a city of 12,000. Oswego, Oregon, is in its infancy. Today the Oregon Iron & Steel Works, and other industries, make a pay roll of \$42,000 a month. With an increase in the manufacturing output, the city increases in population. Population increases values of real estate; therefore Oswego offers today, to the careful investor, the very best field for investment. Oswego is only two miles outside the limits of Consolidated Portland. It has cheap train service of 8 1/2 cents a trip, and eight trains a day; also six steamboats each way on the Willamette. Oswego is a beautiful site for a town. Oswego has a splendid 2,400 water power, which is offered to manufacturers for a term of years free, and land with it. Oswego has pure spring water in pipes over the town. Oswego has a beautiful lake where the pleasure-lovers of Portland will soon establish a summer resort. Property values in Oswego will advance rapidly and permanently as its future is founded on the development of the favorable location for manufacturing. Lots in Oswego invite the home-seeker. Lots sold on easy installments of \$10 down and \$5 a month. Ask the publisher of this paper to show you a plat of Oswego, or address a postal card to Borthwick, Batty & Co., 71 Alder street, Portland, Oregon.

**BE IN SEASON.**—Spring comes early in Oregon. It is nearly here. If you would have a tailor made suit in season and in style call on Mr. Schiffer in L. E. Blain's tailoring department and get your measure taken for the best to be secured. A fine line of suitings just received. Stylish designs, staple goods, and fits guaranteed.

Their E stock of standard groceries is R always large, of the best to be S secured in the market.  
**Believed of Kidney Trouble.**  
S. J. Cronin, Rossini House, Toronto, Canada writes:  
"I have been troubled with a headache for some time past, and great difficulty in passing urine. Three weeks ago I applied an Allenbro's Porous Plaster, and have done so every five days since. Almost immediately I had partial relief, and now I am entirely free from pain—water passing freely and perfectly clear, without burning. I owe my great relief to Allenbro's Porous Plaster and heartily recommend them in any case of kidney trouble."  
Just received new and opens for retail at C. E. Brownell's the following:

It is actually economy to drink Beech's Tea. Being absolutely pure, it is much stronger than the artificial teas, about one third less of it, or about twenty grains, being required per cup. As there are 7,650 grains to a pound, there will be seen to be between three and four hundred cups to the pound. As it is but 60 cents per pound, this is at the rate of about one fifth of a cent per cup. For sale at Allen Bros.

**MISCELLANEOUS.**

The following item has appeared in several exchanges: "They have finished and now have in operation at Lebanon a woolen mill costing \$120,000," which shows how news becomes twisted by a few miles travel. It is a paper mill, and a good one.  
The Springfield Union says that the newspaper has become indispensable to our daily life, is easy of demonstration. We kick and exclaim: "Pshaw! there's nothing in the paper," but if the carrier fails to deliver it there is a hasty visit to the office and an indignant demand to know the reason. The daily paper appeals to every class of readers. There is no one whom it does not interest in some way.

It would be no credit to the United States to go to war with Chili at the present time. The cause is not great enough. Several sailors on a spree in the worst quarters of Valparaiso were killed. Will the U. S. shed blood for anything bordering on such a cause. These are days of arbitration and compromise and that should be the spirit in this matter.

Hon W. Lair Hill said to a Seattle Press Times man: "I have received this morning advices to the effect that the Oregon senators are still pressing the claims of Mr. Joseph Simon, and the Washington senators are still standing by their recommendation of myself; and that, while nothing can be predicted with much positiveness, my appointment is probable. Still I am not counting much upon it; am not going to be greatly disappointed if defeated, and am not going into the cave of Adullam in any event, because there is too much fun ahead in Washington for any sensible man to go into a cave with unfunny associates as long as he can help it."

**TELEGRAPHIC NEWS**

**Chili Not on the Fight.**  
SANTIAGO, Jan. 25.—The Chilean government has sent a reply to the ultimatum of the United States. The reply is in effect as follows: Chili agrees to withdraw the offensive note sent by Senor Mattu to the Chilean ministers abroad and acknowledge that its issuance was due to an error of judgment. Chili also withdraws its request for the withdrawal of United States Minister Egan. In addition the Chilean government, in its answer, proposes that the affair of the attack on the Baltimore sailors in Valparaiso be submitted to the arbitration of some neutral power. If this proposition is not acceptable to the United States government, the Chilean government suggests that the matter be submitted to the decision of the supreme court of the United States.

**Very Crazy.**  
SEATTLE, Wash Jan 25.—Charles Frank Jones, an ex-newspaper man of Seattle, was adjudged insane this evening by a jury after three days trial, and will be sent to the asylum at Steilacoom. Jones was very dissipated up to about a year ago when he embraced religion. His mind gradually became affected, and he became monomaniac on the subject. He finally abandoned work and went out on the public streets, walking to and fro with an open Bible held aloft in his hands. He left his wife and child without support, declaring that the Lord would provide for them.

**Texas Style.**  
SAN ANTONIO, Jan 25.—Word has reached here of another serious riot in the city of Zacatecas, Mexico. There was to be a balloon ascension and a bull fight, in which women were to be the performers, last Saturday. The novel entertainment attracted several thousand people. The women were afraid of the bulls and the inflating apparatus of the balloon would not work. The spectators were so agitated that they rushed into the arena and attacked the performers. Several persons were injured and the amphitheater was torn to the ground.

**A Bad World.**  
VIENNA, Jan 25.—The Vienna Club of Millionaires is much annoyed. The secretary of the club died recently. He was buried at the club expense with much ceremony and display of respect, most of the members attending the funeral. They had deferred opening the safe until the return from the grave. Upon opening the safe they found deceased had been robbing them for years. The amount of defalcation being about 20,000 florins.

**Washington, Jan 25.**—Senator Dolph is in receipt of several communications from physicians in Oregon, offering their services as surgeons in the United States army in case of war with Chili. The senator says he thinks, from the offers received, that Oregon alone could furnish all the land force necessary should a war with Chili occur.  
**A Good Mine.**  
GOLD HILL, Or Jan 25.—The Braden mine, once the property of Sam Coulter, of Portland, is developing into one of the best paying properties in Southern Oregon. The average yield is \$100 a day.
