Monday night E Shelly Morgan fell from a bleycle and broke his left collar bone. Mr Morgan is a very well-known young man in this city, a member of the militia, quite an athlete, and his accident will cause much regretamong his friends. He met with this unfortunate termination of his athletic efforts while practicing for the great bicycle race which is to come off next Friday evening.—Telegram, Which indicates that it is not always the beginner who gets the bumps.

The Review of Reviews for March fully The Review of Reviews for March fully maintains the extraordinary interest of its monthly portrait gallery. Its frontisplece is a fine picture of the late Mr Spurgeon. In the "Progress of the World" the best of Grover Cleveland's new photographs is reproduced, as is also the newest and best of Postmaster-General Wanamaker. There is an excellent portrait of Mr Blaine, a very fine one of President Harrison, another of Justice Fuller, another of the late Justice Bradley, of the supreme court. There appear the faces of Chairman Bland of the coinage committee: the late John Jay Knox; Judge Foster of Chilt; fafull page of the late Duke of Charence; a ull page of his brother George, the presull page of his brother George, the present heir to the British throne; a large portrait of the late Benjamin Scott, for fifty years Bhamberlain of the city of London—the grand old man of municipal England, etc.

That only honest and reliable medicine and reliable inedictines should be placed upon the market. It cannot, therefore, be stated too emphatically, nor repeated too often, that all who are in need of a genuine Blood-purifier should be sure and ask for

Ayer's

Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stilling in mandrake, yellow dock, and the loddes. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the rery best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is, therefore, not a decortion; but it is a compound extract, obtained by a method exclusively our own, of the best and most powerful alteratives, tonics, and durelias known to plannacy. For the last forty years, Ayer's

Sarsaparilla

has been the standard blood-purifier of the world—no other approaching it in popular confidence or universal demand. Its form-ula is approved by the leading physicians and drugglets. Being pure and highly con-centrated, it is the most economical of any possible blood medicine. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle bears the well-known name of

J. C. Ayer & Co., Lowell, Mass.

In every quarter of the globe Ayer's Sea, saparilla is proved to be the best remedy for all diseases of the blood. Lowell druggists unite in testifying to the superior excellence of this medicine and to its great popularity in the city of its manufacture.
