LEBANON.—A brother of Thos Price, the ditch contractor, was kicked on the head by a mule last Friday, inflicting an ugly wound.

M A Miller sold his residence property to S H Meyers this week. Mr Meyers has bought several thousand dollar's worth of property in Lebanon since his arrival a few months ago.

A burglar effected an entrance into N W Smith's drug store, one night recently by turning the key in the back door, but took nothing but some change which had been left in the till.

The Lebanon Fire Company held their annual election Monday evening of this week. Following are the officers-elect: President, J A Roberts; vice-president, J A Roberts; secretary, John Hope; foreman, W C Peterson; first assistant, John Mayer; second assistant, Joel Mayer.

The democrat could not have nominated a better exponent of democracy than our friend and fellow-townsmen, M A Miller. It is a healthful symptom of reform when each party nominates only its best men for office, as the people's party and the democratic party have done.

Because we have the largest and best selected stock to choose from. We are now receiving new and seasonable goods in gains in winter goods.

We are sole agent for Batterick patterns. A full line of ladies and children's shoes. Give us a call. W. F. READ.

Reliable and Always the Same. Bland's Pills are the oldest, safest and best blood purifier and purgative known. They are purely vegetable, therefore harmless. They are always the same and always produce the same effect.

I had been troubled five months with Dyspepsia. The doctors told me it was chronic. I had a fullness after eating and a heavy load in the pit of my stomach. I suffered frequently from a Water Brash of clear matter. Sometimes a deathly Sickness at the Stomach would overtake me. Then again I would have the terrible pains of Wind Colic. At such times I would try to belch and could not. I was working then for Thomas McHenry, Druggist, Cor. Irwin and Western Ave., Allegheny City, Pa., in whose employ I had been for seven years. Finally I used August Flower, and after using just one bottle for two weeks, was entirely relieved of all the trouble. I can now eat things I dared not touch before. I would like to refer you to Mr. McHenry, for whom I worked, who knows all about my condition, and from whom I bought the medicine. I live with my wife and family at 39 James St., Allegheny City, Pa. Signed, JOHN D. COX.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed to the light is not the natural color. The natural color is a rich, golden yellow. The fact may be, it is necessary to color the tea to give it the appearance of being of a good quality. The effect is to make the tea appear to be of a better quality than it really is.

It was the knowledge of this condition of affairs that prompted the placing of Beech's Tea before the public. It is absolutely pure and without color. Did you ever see any genuine uncolored Japanese tea? Ask your grocer to open a package of Beech's, and you will see it, and probably for the very first time. It will be found to be the best tea that has been the artificial green tea that has been accustomed to and the black tea.
