Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
Dr. G. C. Osgood, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Kincheloe, Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. Archer, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
United Hospital and Dispensary, Boston, Mass.

Under a new law Oregon's three regiments will be able to go into annual encampment without a special appropriation.

At the republican primaries in Marion county Saturday the Minto delegates were snowed under generally, a fact that will give general satisfaction. Marion county people are getting decidedly tired of the Minto gang.

Judge Taylor, who sentenced O W Dunbar, of the Astoria Town Talk, convicted of libel, to one year in the county jail, in addition to the costs of prosecution is the same judge who gave a man a three years' term in the penitentiary for stealing a salmon. When Taylor's term of office expires it is said that he will not again enter public life.—Welcome.

The reason for the spots on the Sun has been accounted for by the Medford Mail: Born, in this city, on Thursday last, to Mr and Mrs Sawyer, twins—girls. Something like a week ago we were pleased to chronicle the fact that the first twins had been born in Medford. Since then two cases have occurred, making three pairs of twins within thirty days.

Fred Spaight, an incorrigible boy from Albany, was brought down by Sheriff Matt Scott yesterday and placed him in the reform school. Orin Beam, another incorrigible boy from Albany, was also sent to the reform school. This boy is one of the gang that burned so many barns in Albany.—Salem Statesman. As a matter of fact the Beam boy is not incorrigible at all. He showed a very bad spirit in the barn burning business; but otherwise there are many worse boys.

Among the Lane county farmers who raised sugar beets last summer and sent samples to the Oregon Agricultural experiment station are H C Perkins, Lewellyn, Samuel Howard, E Terpening, M H Harlow and J G Stevenson, Eugene, W N and J H Crow of Lorane The per cent of purity in these samples was equal to those sent from any other county and greater than those from many localities —Register.

Here is the way a Portland paper puts a little incident: "Give us the arbitrators," said two business men in a prominent refectory on Thursday. The dice were produced and the gentlemen proceeded to shake for the drinks. At the end of three rounds one of them caught the other cheating, and no artist could have performed a prettier job of decoration than he did with his fists on his companion's eyes. Both are "way up" people One of them will not go into society again for a week or two.

McMahon's head, says the Welcome, was hard enough to get away with the policeman's bullet. It flattened the bullet and both man and bullet were doing well half an hour afterwards. This reminds us of a 'coon' passing under a brick building some six stories high. As he reached the end, a brick struck square on his crown, broke in half, and the pieces fell on either side. He looked up scratched his pate and moved on. Soon another fell, broke the same way and then he stopped, gazed intently at the top and shouted: "Say, boss, ef you don't want yer bricks broke, better jes keep dem off dis niggah's head. It's made fur brick."

Use Pride of Albany soap and you will be happy. C E Brownell, sole agent.

The River & Harbor Bill.

Washington, March 20.—The river and harbor bill is now completed and is ordered reported to the house. No seperate bill can possibly pass the house, in view of the immense sum which is now given Oregon in the general bill. The items as now secured in the bill for Oregon are as follows:

Columbia River at the Cascades	$435,000
Mouth of the Columbia	300,000
Coos Bay	210,000
Yaquina Bay	75,000
Siuslaw River	10,000
Tillamook Bay	15,000
Lower Willamette and Columbia	50,000
Coquille jetty	25,000
Upper Coquille River	5,000
Yamhill River to McMinnville	3,000
Upper Columbia and Snake River	150,00
Willamette River to Eugene City, with a commencement of the special work at Oswego, Clackamas rapids, Corvallis, Independence and Salem	30,000

Provision is also made in the bill for the examination by the war department, with a view of improvement of the Alsea River in Benton county, of Chetco county, of the Chetco river in Curry county; of Rogue river from Grant's Pass to the sea, in Josephine and Curry counties; of the Nestucca river in Tillamook county; of Coos river in Coos county, and for the construction of a lock and dam in the Yamhill river at Lafayette, in Yamhill.

The total allowance now for Oregon is $1,170,000 and nearly equals that of the "billion dollar congress," although the aggregate of the present bill, which is $20,-214,000, or less than that of the last bill as it was reported from the river and harbor committee. Then it was $20,932,445. The state of Washington receives an aggregate allowance of $84,000, as against $19,000 of last congress.

A Remarkable Freak.

Upper Sandusky, O March 20.—There died last night at Wharton, in the western part of the county, one of the most remarkable creatures, an infant aged 29 years. The child, or young man, was the son of Austen Borden, and during all the years of its life, was nothing more than a mere baby. It developed in no respect, and died in its cradle. It could neither talk, walk nor recognize any one, and was as helpless when it reached its manhood as the day it was born. The doctors were completely baffled could do nothing, and for twenty-nine years its death has been patiently awaited.

Tried to Escape

North Yakima, March 20.—While giving the prisoners their supper in the county jail this afternoon, Deputy Sheriff Dilley was set upon by Burglar Milborn and Forger Levering, and a desperate struggle ensued, in which the officer received a number of severe scalp wounds from a slungshot in the hands of Levering. He finally broke away and drawing his revolver, fired one ineffectual shot, after which he drove the prisoners to their cells and locked them up. Levering is a noted forger and has left his tracks not only in this state but in Oregon and California.

Salisbury Obstinate

Washington, March 20.—It was learned through an official of the state department tonight that a dispatch had been received today from Lord Salisbury in reply to the note of the president of the 8th inst. The contents of the dispatch could not be ascertained but it is understood that it contains the refusal of Lord Salisbury to extend the modus vivendi for another year.

Fort Beter Roads.—Notice is hereby given that all supervisors of road districts, in Linn County, Oregon, are urgently requested to meet at the Court House in Albany on Tuesday, the 29th day of March 1892, at the hour of one o'clock p m, of said day, for the purpose of discussing and agreeing upon the best practicable manner of working and making good the roads in said county and compelling those who are subject to road tax to work out their assessments. By order several supervisors.

Adjourned Meeting.

There will be an adjourned meeting of the Linn County Prohibition Convention to be held at the Court House in Albany on Thursday, April 14th, 1892, at 10 o'clock a m. All prohibitionists are invited and urged to attend. The object of the meeting will be to nominate a county ticket and to attend to any other business that may be properly brought before the convention. In order to nominate a ticket under the new ballot law as an "assembly of electors," it will be necessary to have in attendance at the meeting 100 electors of the county, who have not joined in nominating any candidates for the ensuing election for this county. Let every friend of the cause attend. No prohibitionist should fail to attend! Make a note of the date and be sure to come. T P Hackleman, Chairman.
J E Knox, Secretary.
