"August Flower"

For two years I suffered terribly with stomach trouble, and was for all that time under treatment by a physician. He finally, after trying everything, said stomach was about worn out, and that I would have to cease eating solid food for a time at least. I was so weak that I could not work. Finally on the recommendation of a friend who had used your preparations

A worn-out with beneficial results, I procured a bottle of August Flower, and commenced using it. It seemed to do me good at once. I gained in strength and flesh rapidly; my appetite became good, and I suffered no bad effects from what I ate. I feel now like a new man, and consider that August Flower has entirely cured me of Dyspepsia in its worst form. JAMES E. DEDRICK, Saugerties, New York.

W. B. Utsey, St. George's, S. C., writes: I have used your August Flower for Dyspepsia and find it an excellent remedy.

BRONCHITIS

Is an inflammation of the bronchial tubes—the air-passages leading into the lungs. Few other complaints are so prevalent, or call for more prompt and energetic action. As neglect or delay may result seriously, effective remedies should always be at hand. Apply at once a mustard poultice to the upper part of the chest, and for internal treatment, take frequent doses of

Ayer's Cherry Pectoral

C. O. Lepper, Druggist, Fort Wayne, Ind., writes: "My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skillful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This indisputable evidence of the great merit of Ayer's Cherry Pectoral has given me unbounded confidence in the preparation, and I recommend it to my customers, knowing it cannot disappoint them."

"Ayer's Cherry Pectoral cured me of a bad cough and my partner of bronchitis. I know of numerous cases in which this preparation has proved very beneficial in families of

Young Children,

so that the medicine is known among them as the comforter of the afflicted."—James Rufus Vidal, San Cristobal, San Domingo.

"A short time ago, I was taken with a severe attack of bronchitis. The remedies ordinarily used in such cases failed to give me relief. Almost in despair of ever finding anything to cure me, I bought a bottle of Ayer's Cherry Pectoral, and was helped from the first dose. I had not finished one bottle before the disease left me, and my throat and lungs were as sound as ever."—Geo. B. Hunter, Altoona, Pa.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed to the natural color. The fact may be, it is nevertheless artificial, coloring matter being used for this purpose. The effect is twofold. It not only makes the tea a bright, shiny green, but also permits the use of "off-color" and worthless teas, which, once under the green cloak, are readily worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of poor teas, to give them a finer appearance, is carried on extensively. Green teas, being in this country especially popular, are produced to meet the demand by coloring cheaper black kinds by staining or facing with Prussian blue, titanium, gypsum, and indigo. This method is so general that very little genuine uncolored green tea is offered for sale."

It was the knowledge of this condition of affairs that prompted the placing of Beech's Tea before the public. It is absolutely pure and without color. Did you ever see any genuine uncolored Japan tea? Ask your grocer to open a package of Beech's, and you will see it, and probably for the very first time. It will be found in color to be just like the artificial green tea that you have been accustomed to and the black teas.

It draws a beautiful canary color, and is so fragrant that it will be a revelation to tea-drinkers. Its purity makes it also most economical than the artificial teas, for less of it is required per cup. Sold only in packages bearing this trade-mark.

BEECH'S TEA

"Pure As Childhood"

If your grocer does not have it, he will get it for you. Price 60¢ per pound. For sale at
