The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Piles Can be Cured.

Richard Bennett, Westfield, N Y, writes: "For thirty-two years I suffered from piles, both internal and external, with all their attendant agonies, and like many others suffered from hemorrhoid All those thirty-two years I had to cramp myself to pay doctors and druggists for stuff that was doing me little or no good. Finally I was urged by one who had had the same complaint, but had been cured by Brandreth's Pills, to try his cure. I did so, and began to improve, and for the last two years I have had no inconvenience from that terrible ailment."

TELEGRAPHIC NEWS

They are Fighting.

GILLETTE, Wyo April 12.—The fight between the rustlers and stockmen is waging desperately. The rustlers have a large number of cattlemen corralled at the T A ranch, ten miles from Buffalo. Four stockmen were wounded in the fight and taken to Buffalo. A mounted messenger arrived at the rustler's camp in great haste Monday with important news. The stage from Gillette to Buffalo was stopped by armed rustlers, and a man supposed to be a friend of Fred Hesse, the leader of the stockmen, was taken prisoner. The soldiers at Fort McKinney have been ordered out to protect the settlers. Fighting was going on all day yesterday between the rustlers and stockmen who have taken refuge at the T A ranch. The ranch is surrounded by an armed force of fully 300 men, and firing has continued steadily since yesterday morning. Sheriff Angus went out from Buffalo this morning.

An Immense Strike.

LONDON, April 12.—The efforts to settle the dispute between employes and mill owners in the Lancashire cotton district have failed, and on Saturday, when the notices expire, 15,000,000 million spindles will be idle. A number of firms have obtained permission from the masters' union, on condition of paying large fines, to complete important contracts now under way, but after these are finished no more work is to be done until the dispute is finally settled, by the enforced giving in of one or the other contesting parties.

Preparing for a Lynching.

BOISE, Idaho April 12.—There will be a lynching bee at Delamar, in the Owyhee mountains tonight. In a dispute over a small piece of land, Peter Meddin, a miner, shot and killed W A Steel, a carpenter. Both were married men. Steel died at 9 p. m., and at 10 a crowd was gathered to hang Meddin. The officer who has him in charge tonight telephoned that he would take Meddin to Silver City in the morning if nothing happened.

A New York Earthquake.

ALBANY, April 12.—Two distinct earthquake shocks were felt throughout Montgomery, Warren and Otsego counties this morning. The first occurred at 11:25, and lasted thirty seconds. The second was two minutes later. In Johnstown and Gloversville people rushed wildly from the houses thoroughly frightened. The rattling of dishes, falling of plaster, rumbling of buildings and vibrating of lamps appear to be the only result.

A Big Suit.

PORTLAND, April 12.—Modest Maryanski who claims to be a German residing in the state of California, has commenced a suit in the United States circuit court against C A Alisky, of this city, to recover the sum of $150,000 damages, which he claims to have sustained through a breach of contract. DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
DR. J. F. KINCHELOE,
