Read, Think and Act

All civilized cooks not only want, but are entitled to the latest and best appliances to be secured for their use. Then we get none too good food for this very dyspeptic age.

Read this over several times. It is an important fact, and if digested will be better than a dozen bottles of patent medicine.

THINK about it until your thoughts are exhausted, and your brain power is weary. Sleep over it and then

ACT. Go to Matthews & Washburne, the leading dealers in stoves, tinware and hardware, and select from their large and fine assortment of stoves one that will meet all the requirements of a first-class cook. They have them, as well as the best heating stoves and the best made tinware.
