BABY ONE SOLID SORE

Take Everything without Relief. No Rest Night or Day. Cured by Cuticura Remedies.

My baby, when two months old, had a breaking eruption which the doctor called eczema. Her face, neck, feet, and hands were each one solid sore. I tried everything, but neither the doctors nor any medicine did her any good. We could get no rest day or night with her. In my extremity I tried the Cuticura Remedies, but I confess I had no faith in them, for I had never seen them tried. To my great surprise, in one week's time after beginning to use the Cuticura Remedies, the sores were well, but I continued to use the Cuticura Remedies for a little while, and now she is as fat a baby as you would like to see, and as sound as a dollar. I believe my baby would have died if I had not tried Cuticura Remedies. I write this that every mother with a baby who will cure the worst eczema, and that medicine is the Cuticura Remedies. Mrs. BETTIE HICKNER, Lockhart, Texas.

BRONCHITIS

Is an inflammation of the bronchial tubes—the air-passages leading into the lungs. Few other complaints are so prevalent, or call for more prompt and energetic action. As neglect or delay may result seriously, effective remedies should always be at hand. Apply at once a mustard poultice to the upper part of the chest, and, for internal treatment, take frequent doses of

Ayer's Cherry Pectoral

C. O. Lepper, Druggist, Fort Wayne, Ind., writes: "My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skillful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This indisputable evidence of the great merit of Ayer's Cherry Pectoral has given me unbounded confidence in the preparation, and I recommend it to my customers, knowing it cannot disappoint them."

Young Children,

so that the medicine is known among them as the "consoler of the afflicted."—Jaimie Rufus Vidal, San Cristobal, San Domingo. "A short time ago, I was taken with a severe attack of bronchitis. The remedies ordinarily used in such cases failed to give me relief. Almost in despair of ever finding anything to cure me, I bought a bottle of Ayer's Cherry Pectoral, and was helped from the first dose. I had not finished one bottle before the disease left me, and my throat and lungs were as sound as ever."—Geo. B. Hunter, Altoona, Pa.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed to the windows is not the natural color. It is a revelation. The fact may be, it is never natural; artificial; mineral coloring matter being used for the purpose. The effect is revolting. It not only makes the tea a bright, shiny green, but also permits the use of "off-color" and worthless tea, which, once under the green cloak, are really worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of poor tea to make it a finer appearance, is carried on extensively. Green tea, being in this country especially popular, are produced to meet the demand by coloring cheaper black teas by glazing or facing with Prussian blue, malachite, gypsum, and indigo. This method is so prevalent that very little genuine uncolored green tea is offered for sale."

It was the knowledge of this condition, which prompted the placing of Beech's Tea before the public. It is absolutely pure and uncolored. Did you ever see a genuine uncolored Japan tea? Ask your grocer to open a package of Beech's, and you will see it, and probably for the very first time. It will be found in color to be just as green as the artificial green tea that you have been accustomed to and the black tea. It is a revelation of a revelation to the drinkers. Its purity makes it also most economical than the artificial tea, for it is required per cup. Sold only in packages bearing this trademark.
