The shifting of the political kaleidoscope from day to day shows how worse than poolish it is to try to select in February or even in April the best man to nominate for president in June.

It is a big privilege to be able to get what you want when you go to a grocery store. Allen Brothers keep such a variety that they can always accommodate their customers. This saves running around. If it is fruit season they have the goods. In produce their stands are full of the latest and best. Their stock of standard groceries is always large, of the best to be secured in the market.

G. Gloger, Druggist, Watertown, Wis. This is the opinion of a man who keeps a drug store, sells all medicines, comes in direct contact with the patients and their families, and knows better than anyone else how remedies sell, and what true merit they have. He hears of all the failures and successes, and can therefore judge: "I know of no medicine for Coughs, Sore Throat. or Hoarseness that had done such effective work in my

Coughs, family as Boschee's Soro Throat, German Syrup. Last winter a lady called Hoarsonoss, at my store, who was suffering from a very

severe cold. She could hardly talk, and I told her about German Syrup and that a few doses would give relief; but she had no confidence in patent medicines. I told her to take a bottle, and if the results were not satisfactory I would make no charge for it. A few days after she called and paid for it, saying that she would never be without it in future as a few doses had given her relief." ©

C. O. Lepper. Druggist, Fort Woyne, Ind., writes: "My little sister, four years of age, was so lill from bronchitis that we had almost given up hope of her recevery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to de, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Feetoral, and I can truly say, with most happy results. After taking a few does also seemed to breathe ensign, and, within a week, was out of danger. We continued giving the Feetoral mail satisfied whe was emittedy well. This indepstable evidence of the great morit of Ayer's Sterry Feetoral has given me unbounded confidence in the preparation and I recommend Pecteral has given me unbounded confidence in the preparation, and I recommend it to my customers, knowing it cannot disap-
