Worst Form ECZEMA

Baffled Best Medical Skill for Eight Months. Cured in Two Months by Cuticura Remedies.

This is to certify that a child of mine had Eczema in its worst form, which baffled the best medical skill that could be employed here. The little sufferer was wrapped in agony for at least eight months. At that time its suffering was simply unendurable. I began the use of the CUTICURA REMEDIES, in two months the actual disease had ceased its torment, and my darling boy had rest, and in all appearance the disease had yielded, but I continued the medicine for several months after no trace could be seen of it on any part of his body. The doctor here watched the disease with much interest, and could only say "Well done!" The case was known far and wide, and everybody was much surprised. But thanks to CUTICURA REMEDIES, could there be anything on earth that would cause a father to hope it surely would be when the little innocent son could have such a remedy at hand. (See portrait herewith.) J. A. NICOLE, Banker Hill, Ind.

Ayer's Sarsaparilla

The Best Blood Medicine

So say Leading Physicians and Druggists, and their opinion is endorsed by thousands cured by it of Scrofula, Eczema, Erysipelas, and other diseases of the blood.

"Ayer's Sarsaparilla has won its reputation by years of valuable service to the community. It is the best."—R. S. Lang, Druggist, 212 Merrimack st., Lowell, Mass.

Dr. W. P. Wright, Paw Paw Ford, Tenn., says: "In my practice, I invariably prescribe Ayer's Sarsaparilla for chronic diseases of the blood."

Dr. R. B. Boyle, Third and Oxford sts., Philadelphia, Pa., writes: "For two years I have prescribed Ayer's Sarsaparilla in numerous instances, and I find it highly efficacious in the treatment of all disorders of the blood."

L. M. Robinson, Pharmacist, Sabina, O., certifies: "Ayer's Sarsaparilla has always been a great seller. My customers think there is no blood-purifier equal to it."

"For many years I was afflicted with scrofulous running sores, which, at last became so bad the doctors advised amputating one of my legs to save my life. I began taking Ayer's Sarsaparilla and soon saw an improvement. After using about two dozen bottles the sores were healed. I continue to take a few bottles of this medicine each year, for my blood, and am no longer troubled with sores. I have tried other reputed blood-purifiers, but none does so much good as Ayer's Sarsaparilla."—J. A. Robinson, Neal, Kansas.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed to the windows of the natural color. Unpleasant as the fact may be, it is nevertheless artificial; mineral coloring matter being used for this purpose. The effect is twofold. It not only makes the tea a bright, shiny green, but also prevents the use of "off color" and worthless tea, which, once under the green cloak, are easily worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of poor tea to give them a finer appearance, is carried on extensively. Green tea, being in this country especially popular, are produced to meet the demand by coloring cheap or black tea, by gazing or facing with Prussian blue, brown, gypsum, and indigo. This method is so general that very little genuine uncolored green tea is offered for sale."

It was the knowledge of this condition of affairs that prompted the plan of the Beech's Tea before the public. It is absolutely pure and without color. And you ever see any genuine uncolored Japan tea? Ask your grocer to get a package of Beech's, and you will see it, and realize for the very first time. It will be found in every tea box to be the best of the quality of green tea that you have been accustomed to drink.

It draws a delightful creamy color, and is fragrant as it will be a revelation to tea drinkers. Its purity makes it also a most economical than the artificial tea for sale at the required price. Send only in packages bearing this trade-mark.
