After a steady treatment two boxes of Brandreth's Pills have put me in a better condition than I have been for years."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. TELEGRAPHIC NEWS

A Chicago Tornado.
CHICAGO, April 28.—During a gale that swept through Jackson Park yesterday afternoon, sections of the south and west walls of the manufacturer's and liberal arts building of the world's fair were wrecked. This is the biggest building on the grounds. One tornado followed another. About 1:30 p. m., the first one hit the big building at the southeast corner, and tore out 100 feet of the latticed woodwork that served as a wall. Three men were injured in the wreck—Charles Sundow, A. Johnson and W. B. Johnson. Half an hour later another tornado tore through the park, and in its path left the wreck of the west wall, 100 feet long and sixty-six feet high. Nobody was injured in the fall. When the first section tumbled down all the employees climbed down from the building. Nearly all of them were crowded about the wrecked section when the second tornado did the greatest damage. Scores of workmen would have been carried down with falling timbers had the west section given way first. Warned of their peril by the collapse of the south wall, they hurried down before the second section fell. The damage was \$20,000 or \$30,000.

A Fatal Affair.
PHILADELPHIA, April 28.—The destruction of the Grand Central theater proves to be far more terrible in its results than was anticipated. Six members of the Peill's Auction Company lie dead beneath the fallen walls, and nearly three score people are in the hospital suffering from burns. Of the men and boys in the hospital, seven are in such a serious condition that their recovery is doubtful. Besides those seriously enough hurt to remain in the hospital, fully fifty others were treated for minor injuries.

The Big Four.
ALBANY, N. Y. April 28.—Chairman Crookfield, of the state committee, called the convention to order at noon. William A. Sutherland was chosen temporary chairman. Messrs. Hiscock, Platt, Dewey and Miller, "the big four" were selected delegates at large to the Minneapolis convention, with McMillin, of Buffalo; Bus' of Rochester; Parkhurst, of Bath, and Weed, of Potsdam, as alternates.

Beats This Valley.
HERFORD, N. H. April 28.—Never in the history of eastern Oregon has there been known such a season as the present one. Hardly a day has passed since the 1st of March that there has not been rain or snow and temperature has ranged lower than usual. Fall sown wheat, though looking fairly well, is necessarily set back by the unusually severe weather. Sheep men have suffered greatly.
