## JUDGE NELSON'S DECISION.

Speaking of patent medicines, the Judge says: "I wish to do fairly and honorably with all, and when I find an article that will do what it is recommended to do, I am not ashamed to say so. I am acquainted with Dr. Vanderpool, having been treated by him for cancer, and have used his blood medicine, known as the S. B. Head and Liver Cure, and while I am seventy-five years old, and have used many pills and other remedies for the blood, liver and kidneys, I must say that for a kidney tonic in Bright's disease, and as an alternative for the blood, or to correct the action of the stomach and bowels it is a very superior remedy, and beats anything I ever tried."

J. B. NELSON, Yakima, Wash.

At 50 cents a bottle, it is the poor man's friend and family doctor.

A Very Bold Robbery: ALBUQUERQUE, N. M., Nov 25.—One of the most daring robberies ever perpetrated in this locality occurred at San Marian, a small town south of this city yesterday afternoon. While Jasper B. Beels, who runs a private bank and general store, was waiting on some customers, a tall man dressed in cowboy fashion and wearing a mask over his face entered the place, gun in hand and compelled the customers to stand in line in one corner of the store. He then turned his attention to Mr. Beels and forced him to open the safe and hand over what ready money there was, something over \$1000. The robber backed out of the door, mounted his horse which was hitched near by and escaped into the fastnesses of the Magellan mountains.
