### That Attempt At Train Wrecking

The crowds of sufferers still continue to throng Dr Darrin's offices in order to gain relief. Their method of electromagnetic treatment calls forth numerous testimonials from the cured. The following are a few extracts from parties that can be referred.

Mr Edivor—Dear Sir—In justice to the doctor and to all similarly afflicted, can truly say he has cured me for two years or more, by electricity and medicine. I took two months' treatment and can truly recommend Dr Darrin's treatment to the afflicted. Can be referred to.

### Lynching Talked Of.

MARSHFIELD, Or, Dec 8.—This aftermoon the case of the Peterson brothers came up in the justice court. After all the testimony was in, Justice Jennings he'd them over without bonds until the next circuit court, which convenes in May next. The two brothers were taken to Empire City this evening by City Marshal Dunham and delivered to sheriff Weider, as there was some excitement among the people here, and fears of lynching prompted him to take the prisoners out of this city as soon as possible. Erick Peterson, the man who had the rifle in his possession when arrested, is supposed to have killed Mickelbrink.

Land Jumping.

### Land Jumping.

LAGRANDE, Or, Dec 8.—A sensation was created today by the news that 12 quarter sections belonging to Fred Nodine, one of the largest farmers of the Grand Ronde valley, had been jumped. Mr Nodine's ranch lies near Hot lake, about eight miles east of this city. The land jumped has been for years claimed by Mr Nodine, under deeds issued by the state, which claimed the land, although it is still unsurveyed, by virtue of an act of congress granting to the state all swamp lands. The original surveys show all land in this vicinity to be swamp land, although the jumpers claim that grain has been grown on it for many years. Trouble between Nodine and his friends and the jumpers is feared.

### A General Fight.

WENATCHEE, Wash, Dec 8 .- Yesterday Wenatchee, Wash, Dec 8.—Yesterday was a turbulent day in Wenatchee. The railroad boys and a garg of dagos became engaged in an altereation in front of the Roma sa'oon. A general fight in which no less than 20 men were engaged was an exciting scene. Revolvers, knives, clubs, rocks and bare knuckles were all used as wea; ons. Several shots were fired, but no one was injured from this source. Half a dozen fellows have broken heads and one dago was slightly wounded with a knife.

### Fatal Fight in a Church

NEWARK, O. Dec 8.—During a religious meeting at Miller's chapet. Monroe township, last night, James Needles and Frank Lewis quarreled and started to fight. Lewis drew a razor and slashed Needles across the face, culting his nose in two. Needles drew a revolver and opened fire on Lewis, one bullet passing through his chin from the front, lodging in the back of his head. Needle's death is only a question of little time. Lewis' wound will also prove falal.
