A BIG DEAL.—Recently Dr. Davis, of Harborsburg, sold a tract of land for about \$22,000. He has another big tract, and according to the Courier last Wednesday he received an offer of \$28,800 for his tract of land on Muddy. The tract is a large one, and is desired by a small colony of people from North Dakota, who have resolved to leave the country of blizzards and crop failures. The offer had not been accepted by the Doctor yesterday but probably will be.

A GREAT INVENTION.—Is the self pouring coffee and tea pots. With them you can pour coffee or tea without turning the pots. Wonderful.
