MINUTES.

Grand Master Hugh McCurdy, of the Knights Templar of the United States, has issued a Christmas greeting in response to a toast in his honor, which was joined in by members of that order at meetings held all over the country Monday, in which in eloquent terms he speaks of the principle of the order and the beauty of the Christmas season, and closes by proposing the following toast: "Christmas—the birthday of Him who is the embodiment of all the Templar's hopes."

There are rumors of British conduct and scandals floating in the atmosphere at Salem concerning matters at the insane asylum. The Democrat knows nothing about the truth of these reports, but if the fact that is told is true, then a cyclonic shaking up is needed to purify the air in and about that institution. We trust the proper authorities will investigate the matter in a fearless way to trace out the guilty to the end that proper punishment may be meted out and that the innocent may be exonerated.

The following from the Engine Guard is a good example of the manner in which people get blamed for things the fault of others: For nearly a year Civil Engineer Koch has been in trouble over some maps that he made for Geo H Coulter. He supposed that they had gone wrong in the mail and therefore Uncle Samuel's postmasters have received the blame. Last night the mystery was cleared. The package had been left at the Minnesota hotel for Mr Wiseman, the mail contractor, and by some means had been overlooked, and were yesterday found stored safely away. They will be immediately sent to their destination. Thus many times the postal officials are censured when they should not be.

A GREAT INVENTION.—Is the self pouring coffee and tea pots. With them you can pour coffee or tea without turning the pots. Wonderful. None of the hundred little inconveniences of the old fashioned way. Coffee cooks sure and pure and cannot burn, and tea to perfection. You raise the light lid and the coffee or tea runs from the spout. If you would have the finest thing in the world order one when Mrs Tall, the local agent calls on you.

TELEGRAPHIC NEWS.

High Water
MARYSVILLE, Cal, Dec 27.—The town looks gloomy, nearly all business being suspended. The Feather river is somewhat higher than the Yuba, but has fallen four inches since morning, and continues to do so. The railroad company is now engaged with giant powder blowing out large timbers which have lodged against the wagon bridge over the Feather river at Yuba City. This wreckage is from the railroad bridge a short distance north of the wagon bridge. Yesterday, J B Wright, division superintendent of the Southern Pacific Company, wired the levee commissioner the privilege, if it would benefit the city, to blow out the railroad grade, which was backing up the water. This, however, was not done.

Oregon's Assessment Roll
SALEM, Or, Dec 27.—The state board of equalization today, being in receipt of the Benton and Linn county rolls, began the real work of equalizing, and by tomorrow will have definitely equalized horses, mules, sheep, goats, cattle and swine. They have laid the ground work and the figures decided upon tomorrow will be final. The assessment on cattle in Malheur county will not be changed, but is likely to be raised 10 per cent in Linn, 20 in Marion and 25 in Wasco. Assessments on cattle run from \$9.70 in Wasco to \$17.12 in Columbia; horses and mules, from \$16.31 in Grant to \$56.47 in Malheur; sheep and goats, from \$1.17 in Josephine to \$2.08 in Gilliam; swine, from \$1.50 in Tillamook to \$4.29 in Crook. An attempt will be made to strike a medium for coast, valley and eastern counties.

Portland Fire
PORTLAND, Dec 27.—The East Side was visited last night by one of the hardest-fought fires in the history of the Portland fire department. The damage amounted to \$60,000. The losses and insurance are distributed as follows:

Loss	Insurance
J Prouty	\$10,000
E J Bruce	\$7,000
Mrs R L Hawthorne	8,000
McGowan & Hall	10,000
Banner	6,000
Lare	10,000
Mrs Barker	3,000
Wilamette Fence Co	3,000

Tough Weather
WICHITA, Kan, Dec 27.—Snow fell again last night and after a brief intermission resumed operations about 10 o'clock today. Railroads in over 200 miles are closed. Today the road is again blocked and Comanche and Clark counties are shut off from the world. Arrivals from Englewood last night, report terrible losses among stock, and on the ranges in No Man's Land thousands of cattle, they say, have died.

The California Election
SACRAMENTO, Dec 27.—Results of the recent general election were officially declared today by Secretary of the State Waite. Eight democrats are elected by about 400 majority, and one for Harrison, that for Thomas R Baird. The people's party vote ranged from 25,170 to 25,311, and the prohibition vote from 7921 to 8916.
