Colorless, Emaciated, Helpless

A Complete Cure by HOOD'S SARSAPARILLA.

This is from Mr. D. M. Jordan, a retired farmer, and one of the most respected citizens of Otsego Co., N. Y.

"Fourteen years ago I had an attack of the gravel, and have since been troubled with my Liver and Kidneys

gradually growing worse. Three years ago I got down so low that I could scarcely walk. I looked more like a corpse than a living being. I had no appetite and for five weeks I ate nothing but gruel. I was badly emaciated and had no more color than a marble statue. Hood's Sarsaparilla was recommended and I thought I would try it. Before I had finished the first bottle I noticed that I felt better, suffered less, the inflammation of the bladder had subsided, the color began to return to my face, and I began to feel hungry. After I had taken three bottles I could eat anything without hurting me. Why, I got so hungry that I had to eat 6 times a day. I have now fully recovered, thanks to

Hood's Sarsaparilla

I feel well and am well. All who know me marvel to see me so well." D. M. JORDAN.
