TELEGRAPHIC NEWS.

ON THE SOUTHERN BOUNDARY.
Jan 2nd 1893.
Three and one half feet of snow fell on top of the mountain during the storm. Its stay was very brief however.

Mr John Young and Miss Delia Ryan were so merry that they got married the day after Christmas and now we all wish them a Happy New Year and acknowledge that they took us by surprise. They returned from Eugene Tuesday and will reside at E J Willoughby's the ensuing year.

Mr Nick Martin has sold his lease on the Barger place to the new owner, Mr Garrison, and will move his family to Mt Angel this week.

Mr Angelo McNary was given a fine birthday dinner by his friends and family, yesterday, Jan 1st. It was a most enjoyable affair.

Mr Lytle has been having some changes made in his house and we suppose has improved it, each new tenant of that house makes it over.

Miss Eva Aford's school closed on Friday before Christmas, on account of ill health. The last four or five weeks were taught by her sister.

A Noted Pioneer Dead.
PENDLETON, Or, Jan 3.—Dr. William C McKay died of heart failure at his home near the Umatilla Indian agency this morning. He ate a hearty breakfast and went to the barn to care for his horse. He was found soon after lying by the horse's feet in the stall, dead. McKay was one of the oldest and best known pioneers in the state. He was coroner of Umatilla county, and until recently was government physician on the Umatilla reservation. He leaves a widow and three sons and one daughter, all grown.

A Dishonest Hotel Man.
UMATILLA, Jan 2.—H B Williams, proprietor of the Umatilla house, has skipped out, leaving numerous creditors to mourn his departure. About two months ago Williams took charge of the hotel, and has since enjoyed liberal patronage. Local merchants, as also the merchants of Pendleton, had no hesitancy in allowing him all the credit he wanted, and his bills aggregating \$400. His swindling scheme was evidently well laid, for he collected all the money due him yesterday evening and left between two years.

Who'll Foot the Bills?
WASHINGTON, Jan 2.—An extended trip is in contemplation by members of the house and senate, or at least a part of them. The scheme is a visit to the Hawaiian Islands, to be taken by 15 republicans and 15 democrats of the house, and seven republicans and seven democrats of the senate, who are members of the present and will be members of the next congress. The object is not to be a junket, but a business trip.

A Great Foot Ball Game.
SEATTLE, Jan 3.—The greatest football battle ever seen on the Pacific Coast was fought here today between Seattle and Portland, the laurels of victory going to neither. Neither side scored and at no time was the goal of either team seriously threatened. Try as hard as they could, the team that had the ball could never carry it closer than the 30-yard line. It was never out of bounds. Thirty five hundred people saw the game.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
