A Household Remedy.

Allcock's Porous Plasters are the only reliable plasters ever produced. Fragrant, clean, inexpensive, and never failing; they fully meet all the requirements of a household remedy, and should always be kept on hand. For the relief and cure of weak back, weak muscles, lameness, stiff or enlarged joints, pains in the chest, small of the back and around the hips, strains, stitches, and all local pains, Allcock's Porous Plasters are unequalled.

Beware of imitations, and do not be deceived by misrepresentation. Ask for Allcock's, and let no solicitation or explanation induce you to accept a substitute.

"There's something behind it." That's what you think, perhaps, when you read that the proprietors of Dr. Sage's Catarrh Remedy offer \$500 reward for an incurable case of Catarrh. Rather unusual, you think, to find the makers of a medicine trying to prove that they believe in it. "There must be something back of it!"

But it's a plain, square offer, made in good faith. The only thing that's back of it is the Remedy. It cures Catarrh in the Head. To its mild, soothing, cleansing and healing properties, the worst cases yield, no matter how bad or of how long standing. It has a record that goes back for 25 years. It doesn't simply relieve—it perfectly and permanently cures. With a Remedy like this, the proprietors can make such an offer and mean it. To be sure there's risk in it, but it's so very small that they are willing to take it.

You've "never heard of anything like this offer?" True enough. But then you've never heard of anything like Dr. Sage's Remedy.

SHILOH'S CONSUMPTION CURE.

The success of this Great Cough Cure is without a parallel in the history of medicine. All druggists are authorized to sell it on a positive guarantee, a fact that no other cure can successfully stand. That is why, become known, the Proprietors, at an enormous expense, are placing a Sample Bottle Free into every home in the United States and Canada. If you have a Cough, Sore Throat, or Bronchitis, use it, for it will cure you. If your child has the Croup, or Whooping Cough, use it liberally, and relief is sure. If you dread that insidious disease Consumption, use it. Ask your Druggist for SHILOH'S CURE. Price 75 cts. per bottle, and \$1.00. If your Lungs are sore or Back lame, use Shiloh's Porous Plaster. Price 25 cts. For sale by all Druggists and Dealers.

MINUTE.

The Salem Statesman refers to Judge Kellogg as the great constitutional lawyer of Benton county. By the by, an eminently proper designation.

An exchange tells a story of a tramp who rang a doctor's door bell and asked the pretty woman who opened the door if the doctor had a pair of old trousers he was willing to give away. "I am the doctor," replied the plump and pleasing young woman, and the tramp fainted.

A Salem dispatch says: Judge Boise has become a convert to the movement for the repeal of the mortgage tax law and the law allowing deductions for indebtedness. As he is the father of the measures, his condemnation of them now will be one of the strongest arguments for their repeal. His influence in the state senate, also, will strengthen the purpose of the legislators connected with that body.

Dr. J. W. Harris was called to Fall Creek last evening to administer to the wants of Mrs. Griffin, of that precinct, who was reported to be seriously injured in an accident. He found that the old lady who is 60 years old, had been thrown from a horse and her foot hanging in the stirrup she was dragged quite a distance, but by some means she became disengaged, this saving her life. She was unconscious when found and severely chilled by the cold. He found her badly bruised, but nothing of a fatal nature.—Guard

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring the system to its normal state. The price of a bottle is One Dollar. Send for a free copy of the book "The Catarrh Cure" to Dr. J. C. Hall, 215 Broadway, N. Y. C.

TELEGRAPHIC NEWS.

Proposed Legislation.

SALEM, Or., Jan. 4.—Today the state board of equalization adopted a resolution addressed to the resolution addressed to the legislature, recommending certain changes in the assessment law. It recommends that as the 5-mill tax, now required to be levied by the county courts for school purposes, is an inducement to assess property at less than its actual cash value, the said tax ought to be abolished, and in lieu thereof an act should be passed requiring said tax to be levied pro rata according to the number of children of school age in the county. The board wants the law amended so as to give the state board of equalization 60 days in which to complete its work, instead of 30, as now. It recommends that the law allowing deductions of indebtedness and exemption of same from taxation should be so amended as not to allow any exemptions for indebtedness. It asks the repeal of the present law on the assessment of mortgages. It wants property assessed as actually owned March 1, at noon, of each year.

A Great Event.

SPRINGFIELD, Ill., Jan. 4.—The 38th general assembly of Illinois convened at noon. Among the visitors were many prominent leaders of both parties, but the most conspicuous in the throng were a dozen or more veteran democrats, who came from all parts of the state to witness the realization of their dreams for a quarter of a century—the opening of an assembly democratic in both branches, with a democratic executive at their back. Caleb Johnson was chosen temporary speaker.

A Peculiar Bill.

WASHINGTON, Jan. 4.—A bill introduced in the house today by Martin of Indiana, that all persons appointed to offices under the United States shall be for four years, whether under civil service or otherwise, and that no person is to be eligible to hold office for more than eight years, and all persons having held office for this length of time or longer shall not be eligible for office after July 4, 1893.

Can't See Them.

SALEM, Or., Jan. 4.—Superintendent Downing denies the report that state papers will be allowed prisoners to read in the penitentiary. The statement, he says, was made without his authority. He considers it highly undesirable, for reasons which are recognized all over the country, and in the adjoining states of California and Washington.

Returned the Pass.

NEW YORK, Jan. 4.—In President-elect Cleveland's mail today was a letter and card sent him by Thomas C. Platt. The latter announced that Mr. Platt, as president of the United States Express Company, inclosed a pass, giving Mr. Cleveland the courtesies of the company. Mr. Cleveland looked at the card and returned the pass to Mr. Platt.
