SCRATCHED 28 YEARS

A Sealy, Itching, Skin Disease with Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago, it would have saved me \$200.00 and an immense amount of suffering.

My disease (psoriasis) commenced on my head in 1864 and spread rapidly all over my body, and got under my nails.

The scales would drop off of me all the time, and my suffering was endless, and without relief.

One of the doctors said we leprosy, some ringworm, psoriasis, etc. I cannot praise the CUTICURA REMEDIES too much.

They have made my skin as clear and free from scales as a baby's. All I need of them is \$5 worth.

If you had been here and said you would have cured me for \$200.00, you would have had the money. I looked like the picture (No. 2, page 4) in your book, 'How to Cure Skin Diseases.'

But now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched twenty-eight years, and it is to be a hind of second nature to me. I thank you a thousand times.

DENNIS DOWNING, Waterbury, Vt.
