Joseph Ruby, Son of Harry K. Ruby, of Columbia, Pa., Suffered From Birth With a Severe Form of Scrofula Humor

"Until my boy was six years of age he was from birth a terrible sufferer from scrofula humor. Sores would appear on him and spread until as large as a dollar and then discharge, followed by others, so that the larger part of his body was one mass of sores all the time, especially severe on his legs and back of his ears and on his head. The humor had a very offensive odor, and caused

Intense Itching We cannot tell how that poor boy suffered in all those years. Physicians did not effect a cure. At last I decided to give him Hood's Sarsaparilla, as my druggist recommended it.

"In about two weeks the Sarsaparilla began to have effect. The sores commenced to heal up; the flesh began to look more natural and healthy. Then the sores came off and all over his body new and healthy flesh and skin formed. When he had taken two bottles he was entirely free from sores, having only the scars to show where they had been. These have all disappeared. We are unable to express our thanks for the good

Hood's Sarsaparilla has done our little boy." HARRY K. RUBY, Box 556, Columbia, Pennsylvania.

The Forum

1893

THE FORUM is the only States what The New York Tribune is to England, and more thoroughly the best thoughtful periodical we have ever had.

THE FORUM contains articles about what men are now doing in the world.

The problems and the tasks of your own life and thought, and of our own country, and of our own time; the education of your children; the latest results of research in your own special study; the great books of the period; the real leaders; the large movements—are these not the most interesting subjects!

The secret of THE FORUM's hold on its readers is that its writers make it helpful to all who think.

Its readers form the dominant part of every profession, craft, and class—those who are succeeding because they have a correct measure of the intellectual forces and of the larger activities of American life, the best-informed, and the most ambitious.

Its writers are the leaders of thought and of action everywhere and in all kinds of important work.

Ask the best informed man in your community what he thinks of THE FORUM, or send to us for the written opinions of some of the leading men in your State, and in all other States.

THE FORUM: Union Square, New York \$5 a year.
