Wound up—the man or woman who's "run-down." Dr. Pierce's Golden Medical Discovery sets the wheels going. It starts the torpid liver into healthful action, purifies and enriches the blood, cleanses, repairs, and strengthens the system, and restores health and vigor. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, and builds up flesh and strength.

For all scrofulous humors and blood-taints, and even Consumption (or Lung-scrofula), if taken in time, it's a positive remedy.

Unlike the sarsaparillas, which claim to be good for the blood in March, April, and May, "Golden Medical Discovery" works equally well at all seasons.

Unlike other blood-purifiers, too, it's guaranteed to benefit or cure, in every case, or your money is returned.

On these terms, it's the cheapest. You pay only for the good you get. But it's the best—or it couldn't be sold so.

SHILOH'S VITALIZER. Mrs. T. S. Hawkins, Chattanooga, Tenn., says: "Shiloh's Vitalizer saved my LIFE. I consider it the best remedy for debilitated system I ever used." For Dyspepsia, Liver or Kidney trouble it excels. Price 75 cts.

SHILOH'S CATARRH REMEDY. Have you Catarrh? Try this Remedy. It will relieve and cure you. Price 50 cts. This Remedy for its successful treatment is furnished free. Shiloh's Remedies are sold by us on a guarantee to give satisfaction.

### TELEGRAPHIC NEWS.

#### Cold Weather and High Prices:

NEW YORK, Jan. 19.—With the supply of coal nearly exhausted and the price of coal produce extremely high, the immediate future looks dark for the poor of New York. If the present cold hangs on, the city will be completely out of coal in 10 days. The supply on hand is not more than 50,000 tons, and the city is using about 20,000 tons a day and receiving only about 10,000 tons from the coal regions. All the dealers in the city frankly admit that the situation is far graver than it was during the great strikes of 1877. Added to the threatened coal famine is the unprecedented rise in country produce. Eggs are selling at 42 and 45 cents per dozen, as against 35 cents a week ago. Butter brings 40 cents a pound, against 36 cents last week.

#### Conditionally Delivered Now:

WASHINGTON, Jan. 19.—Senator Pettigrew, chairman of the quadro centennial committee, introduced a bill in the senate today, instructing the secretary of the treasury not to deliver any souvenir coins until the world's Columbian exposition delivers a good and sufficient bond, conditional that, if for any reason whatever, the World's fair was opened to the public on Sundays, the corporation pay the United States for the sum of money it shall have received from the sale of the coin, not less than \$2,500,000.

#### Nearly all Allotted:

CHICAGO, Jan. 19.—The director of the world's fair, in reply to complaints that space was being allotted tardily, makes a report showing that of a total of 3,642,812 square feet available for allotments, 1,919, 519 have been assigned to foreign, and 1,787,265 to domestic exhibitors. Concessions amount \$21,465, leaving only \$14,470 unassigned.

#### A Good Shot:

SPRINGFIELD, Mass., Jan. 19.—When Horace Smith died last Sunday, D. B. Weston, his former partner in the revolver manufacturing business, estimated his wealth at about \$3,000,000. When the will was opened this afternoon, it was found that the entire estate, with the exception of \$10,000, was bequeathed to benevolent and charitable institutions. The total amount given outright to institutions named in the will is \$228,000.

#### Dolph's Bill:

WASHINGTON, Jan. 19.—Senator Dolph introduced today an amendment to the sundry civil appropriation bill, increasing the amount of the appropriation to carry in effect the Chinese restriction law from \$50,000 to \$500,000. He also introduced an amendment to the sundry civil appropriation bill providing for the payment of the claims of Oregon, California and Nevada for expenses during the war of the rebellion.

#### An Editor in Trouble:

SAN JOSE, Jan. 19.—Charles M. Shortridge, editor of the Mercury, appeared before Judge Longdon today to show cause why he should not be punished for contempt of court in publishing the testimony in a divorce case, contrary to order of the court. Shortridge was represented by counsel, who claimed that the court had no jurisdiction in the matter and entered a demurrer.
