COMING MONDAY EVENING.—Sutton's Big Double Uncle Tom's Cabin Company presents this well known drama at the opera house Monday, Jan 23. The Oregonian says "Sutton's Double 'Uncle Tom's Cabin' company reopened at the Park theater yesterday, drawing a crowded house both afternoon and evening, showing that people never tire of this old and popular play. The company gave a good performance, and everybody seemed well pleased. Baby Edith, only five years old, plays the angel child remarkably well for one so young. She sings sweetly for a child, and at once becomes a favorite with the audience. Robert Tasker gives a faithful representation of Uncle Tom; the Topsyies are good, and two 'Marks the Lawyer' keep the audience in good humor. Simon Legree is well portrayed. The colored jubilee singers are above the average, and are an attractive feature. The bloodhounds, donkeys and Shetland ponies add variety to the performance and act their parts very naturally indeed."

A Valuable Remedy.—Brandreth's Pills purify the blood, stimulate the liver, strengthen the kidneys, regulate the bowels. They were introduced in the United States in 1835. Since that time over sixty millions of boxes of Brandreth's Pills have been used.

This, together with thousands of convincing testimonials from all parts of the world, is positive evidence of their value.

Brandreth's Pills are purely vegetable, absolutely harmless and safe to take at any time.

A GREAT INVENTION.—Is the self pouring coffee and tea pots. With them you can pour coffee or tea without turning the pots. Wonderful. None of the hundred little inconveniences of the old fashioned way. Coffee cooks sure and pure and cannot burn, and tea to perfection. You raise the light lid and the coffee or tea runs from the spout. If you would have the finest thing in the world order one when Mrs. Talt, the local agent calls on you.

\$100 Reward, \$100.—The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TELEGRAPHIC NEWS.

The Washington Deadlock.—OLYMPIA, Wash., Jan 20.—Allen 51, Turner 25, Griggs 27, Teats 9—those were the figures when the joint session of the legislature adjourned after the second ballot today. Both of the warring factions, who are doing incalculable harm to the party which sent them here, may be said to have scored a victory today, the Allen men by gaining four votes and the Turner men by successfully stopping the balloting at a critical point, when a break in the ranks and the election of Allen as senator seemed imminent.

A Live Officer.—TACOMA, Wash. Jan 20.—An Officer Steve Murphy was preparing for bed last night, his attention was attracted by a man attempting to pry open a window of a neighboring house. Picking up his revolver and without waiting to put on any clothing, he went out and arrested the burglar at the point of his gun. He could not leave the man to get his clothes, so he started with him to the station four blocks away. The prisoner however, broke and ran, but the half-naked officer gave chase, firing his revolver. He captured him after a long run and landed him in the cooler.

A Big Will Contest.—SEATTLE, Wash., Jan 20.—The great property left by the late Henry I. Yesler is likely to develop one of the greatest will contests in the history of the Pacific coast. Not only is it likely to result in a contest between the widow and heirs, but the city of Seattle will come forward to show that the deceased left a will which cannot be found, bequeathing all his property to the city, with the exception of a small annuity to the widow. Real lawyers are engaged in the squabble for the privilege of representing the widow. The personal property is valued at \$90,000, and the rents are \$60,000 a year.

Examined the Jute Mill!—WAKLA WALLA, Wash., Jan 20.—The Oregon legislative committee, consisting of Senators J. K. Weatherford of Linn and F. A. Bancroft of Multnomah and Representatives H. F. Gullixson of B. D. Dalrymple, J. W. Hobbs of Yamhill and M. D. Daly of Lake, arrived from Salem this morning and visited the penitentiary. They made a full investigation of the workings of the jute mill, and were favorably impressed with the institution.

Mr. Gladstone all Right.—LONDON, Jan 20.—In view of the persistent and malicious canards circulated by Tory writers concerning Mr. Gladstone's health, the statement has been authorized that Mr. Gladstone has an excellent appetite, sleeps remarkably well and in his daily work shows exceptional vitality.

Heppner Ablaze.—HEPPNER, Or., Jan 20.—The Heppner Light and Water Company made its first light last night. It was a complete success. The city has 8 arc lights, 6 private arc lights and 250 incandescent lights. The engines were used in the exposition in Portland.

Teacher's Examination.—Notice is hereby given that the regular public examination of teachers for Linn county, will take place in Albany, commencing on Wednesday, February 8th, at 10 o'clock p. m., and continue until Friday noon, February 10th. All teachers must positively be present at the time of commencement, as no one will be admitted to the examination who is not so present. Applications for state certificates and state diplomas received at the above named time. County School Supt.
