Dr. G. C. Gannon,

Castoria.

"Castoria is well adapted to children that are nervous, and is superior to any prescription known to me."
H. A. Archer, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the relief of their children, and use Castoria instead of the various quick nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Kischelock,
Conway, Ark.

"Our physicians in the children's department in their outside practice with Castoria, and likewise we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

TELEGRAPHIC NEWS.

Having Hot Time.
TOPICKA, Kan., Feb. 14.—This afternoon, by order of the republican house, B. C. Rich, clerk of the populist house, was arrested by the sergeant-at-arms of the republican house on the charge of contempt of court. The populists at once rallied, forcibly released him, and escorted him to the governor's office. During the conflict two republicans were knocked down and several men on each side badly bruised by blows of fists. Later the republicans swore out warrants before Justice Chesney, charging Representative Ryan and Reading Clerk M. Scott with assault and battery. Ryan consulted with friends and announced that he would neither go with the constable nor give bond for his appearance. The constable, finding that an attempt to make the arrest while such great excitement prevailed might precipitate serious trouble, made no attempt to serve the warrants and will not until tomorrow.

They are Mad!
CORVALLIS, Or., Feb. 14.—The news that the bill creating the new county of Lincoln had passed the house reached here this morning. It is claimed that the bill was brought to its passage at the instigation and in the interests of a few office hunters who have been in Salem during most of the present session working for it. The fact that it has been favored by all three of Benton's delegation in the face of the opposition that has been brought to bear against it by both parties and from all sections of the county causes general surprise and condemnation. Many prominent citizens of both parties feel deeply incensed particularly with the action of Representative Jeffrey.

Appropriation Reduced.
WASHINGTON, Feb. 14.—Senators Dolph and Mitchell are prepared to attack the cuts made in the sundry civil bill for the river and harbor improvements, especially that portion relating to the Cascades. The house appropriated \$1,419,250, and the senate has cut the sum to \$868,000. Senator Dolph thinks he will be able to have the full amount restored.

Four Members Selected.
LAKEWOOD, N. J., Feb. 14.—Cleveland officially announced the names of four members of his cabinet this evening. They are: Walter Q. Gresham, of Illinois, secretary of state; John G. Carlisle, of Kentucky, secretary of finance; Daniel S. Lamont, of New York, secretary of war; Wilson S. Bissell, of Buffalo, postmaster-general.

Gardiner Sentenced.
NEW YORK, Feb. 14.—Charles W. Gardiner, chief detective of Dr. Parkhurst's society, convicted of attempting to extort money from Lillie Clifton, inmate of a disorderly house, was sentenced to two years at hard labor in the state's prison by Recorder Smith in general sessions this morning.
