Castoria.

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children!

Dr. G. C. Osmond,
Lowell, Mass.

Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real friend of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves.

Dr. J. F. Kinschloe,
Conway, Ark.

Castoria is so well adapted to children that I recommend it as superior to any prescription known to me!

Castoria.

One physician in the children's department has spoken highly of their experience with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it.

IMPORTANT TO SCHOOL INTERESTS —

We publish the following by request: The Oregon State Journal has been purchased by parties who are organizing a stock company. Its name has been changed to the Western Pedagogue, The State School Journal of Oregon. C Elton Blanchard, a teacher well known on the coast, has accepted the editorship, and the prospects for the paper are better than they have ever been before. Mr. Blanchard is an educator and writer of long experience and has called to his support some of the best educational writers. The new organization has plenty of capital to push the enterprise: to a success never before attained. The paper should and will without the least doubt receive the hearty support of the teachers and school officials of the state. Under these circumstances the organ will serve the school public to a valuable advantage. The teachers of this county should send in their subscriptions at once. The March issue, the first number under the new management, will be mailed the last week of February. The home of the paper will now be at its former location, Corvallis, Oregon, "the Heart of the Willamette Valley," the seat of our Agricultural College.

Only Right to Tell:

The Rev. Mark Guy Pearce, the eminent English Divine, writes:

BEDFORD PLACE, RUSSELL SQUARE,
LONDON, December 10, 1888.

"I think it only right that I should tell you of how much use I find Alcock's Porous Plasters in my family and among those to whom I have recommended them. I find them a very breastplate against colds and coughs."

German Lutheran church service on every first and third Sunday in every month at 10 a. m., at the W. G. T. U. Hall, by Rev G E Meyer.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

That Alcock's Porous Plasters are the highest result of medical science and skill, and in ingredients and methods have never been equalled.

That they are the original and genuine porous plasters, upon whose reputation imitators trade.

That Alcock's Porous Plasters never fail to perform: their remedial work quickly and effectually.

That this fact is attested by thousands of voluntary and unimpeachable testimonials from grateful patients.

That for rheumatism, weak back, sciatica, lung trouble, kidney disease, dyspepsia, malaria, and all local pains, they are invaluable.

That when you buy Alcock's Porous Plasters you absolutely obtain the best plaster made.

TELEGRAPHIC NEWS.

A Street-Car Riot
WHEELING, W Va, Feb 15.—Another riot, growing out of the street car strike, occurred this evening. A car manned by nonunion men ran a gauntlet numbering fully 2000 men, missiles of all description were thrown and the operators compelled to desert the car, which was run off the track. The police were hastily summoned and dispersed the mob upon arrival, arresting one man.

Poor De Lesseps
PARIS, Feb 15.—Charles de Lesseps remained all day yesterday with his father Ferdinand at Leichensage. The aged de Lesseps recognized and embraced his son. He is still ignorant of the judgment that had doomed them both to imprisonment. Charles managed to restrain his tears, and assumed a cheerful aspect in order that his father might not suspect the truth.

The Bloody Shirt
WASHINGTON.—The house today resumed consideration of the pension appropriation bill. Boutelle spoke vigorously against the proposed amendments to the pension law, declaring the Union veterans were not safe in the hands of the party about to come into power, with headquarters south of Mason's and Dixon's line. The records of congress, he said, showed that Oates replied warmly, saying Boutelle charges were unfortunate and ill-founded. No gentleman would charge him, or any other ex-confederate, with opposing a proper pension to any Union soldier who was worthy of it.

Poor Kansas
TOPEKA, Kan, Feb 15.—Bleeding Kansas nearly bled again today. Nothing but the wisest counsels of the calmer leaders of the opposing parties prevented a serious conflict and the shedding of blood. Not since anti-slavery and pro-slavery forces were arrayed in hostile attitude against one another has political excitement run so high as today. At 10 o'clock tonight 500 troops are on guard around the building, while 500 more are on the way from different parts of the state.

A Libel Suit
WALLA WALLA, Wash, Feb 15.—The libel suit of Reams vs Parker, of the Walla Walla Statesman, for \$25,000, was finished today. The trial lasted four days. The jury was out all last night, and brought in a verdict this morning of \$220. The libel was published August, 1890, at a time when Colonel Parker was lying ill in bed 200 miles away.

Western Shouts
WESTON, Or, Feb 16.—Notwithstanding the drizzling rain and disagreeable weather, antics were booming, flags flying and band playing on the receipt of the news today of the passage of the bill appropriating \$34,000 for the Eastern Oregon state normal school in this city.

An Important Difference:
To make it apparent to thousands, who think themselves ill, that they are not affected with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a curative condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Co.
