**Castoria.**  
"Castoria is an excellent medicine for children. Mothers have repeatedly told us of its good effect upon their children."  
D. G. C. OGDEN, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the best of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphia, soothing syrup and other harmful agents down their throats, thereby sending them to premature graves."  
DR. J. F. KINCHELOE, Conway, Ark.

**Castoria.**  
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."  
R. A. ANDERS, M. D., 111 So. Central St., Pasadena, N. Y.

"Our physicians by the children's department in a regular hospital of their experience and their reliable practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."  
UNITED HOSPITAL AND DISPENSARY, Boston, Mass.

As she enters womanhood, every young girl needs the wisest care. Troubles beginning then may make her whole life miserable.

But the troubles that are to be feared have a positive remedy. Dr. Pierce's Favorite Prescription builds up and strengthens the system, and regulates and promotes every proper function. It's a generous, supporting tonic, and a quieting, soothing nerve—a legitimate medicine, not a beverage, free from alcohol and injurious drugs. It corrects and cures, safely and surely, all those delicate derangements, weaknesses, and diseases peculiar to the sex.

A remedy that does cure is one that can be guaranteed. That's what the proprietors of "Favorite Prescription" think. If it doesn't give satisfaction, in every case for which it's recommended, they'll refund the money. No other medicine for women is sold on such terms.

Decide for yourself whether something else sold by the dealer, is likely to be "just as good" for you to buy.

### BRIEF.

A Eugene real estate agent some weeks since wrote a glowing account of the second crop of Oregon strawberries to some parties in Illinois. They packed up and struck Eugene just as the snow was sixteen inches deep. The agent has taken to the woods.

They have been having slippery weather in LaGrande, resulting in the following in the Gazette: "A maiden fair with sun-kissed hair came tripping down the street; the air was keen, her age was teen; but gee-whiz wasn't she sweet; the sidewalk was slick and she went down quick, with a jolt that took out her curls, and the words she used must be excused for she's one of our best girls."

### TELEGRAPHIC NEWS.

**The Treaty.**  
WASHINGTON.—The committee on foreign relations reported to the senate in executive session today the Hawaiian annexation treaty, with the recommendation that it be ratified. It was placed on the executive calendar, where it can be reached by a majority vote at any time. A poll of the senate on the ratification of the treaty has been taken. It stood: For ratification, 47; against ratification, 15; absent, 13; noncommittal, 13. As those in favor constitute more than two-thirds of those present, there is no doubt about the ratification of the treaty.

**A Huntington Murder.**  
HUNTINGTON, Or, Feb 17.—John C Clark, a rancher living near Snake river, about 14 miles from Huntington, shot and killed Peter Denning, a miner well and favorably known in this locality. Clark came to Huntington immediately after the shooting and surrendered to Deputy Sheriff John P Hamon. Nothing definite is known as to the cause of the trouble that led up to the tragedy. An interview with the prisoner failed to bring out any of the facts, more than that it occurred at about 11 o'clock this morning. He claims that his act was one of self-defense, and that he used a Winchester rifle. Denning was chasing him with an axe. There were no witnesses to the tragedy.

**A Fight With Indians.**  
SPOKANE, Wash, Feb 17.—The severity of the winter in the Priest river valley, Idaho, has driven the Indians to desperation. They raided Jim Reynolds' and drove off the cattle. Seven ranchers followed. In the fight one of the Indians was killed and two Indians and two whites were wounded.
