Those democrats at Portland who made application some time ago to His Excellency, Governor Penneyer, for permission to use a couple of cannon belonging to the state to celebrate the inauguration of Grover Cleveland as president of the United States and who were refused with such abrupt brusqueness by the governor, applied, through Senator Mitchell to Steve Elkins, secretary of war, for permission to use a couple from the fort at Vancouver. Permission was promptly granted, and now, while the governor may have all the satisfaction which his arbitrary course vouchsafed, the democrats will also feel that the iron heel of one clothed with a little brief authority is not sufficiently powerful to crush out their malarious joy and enthusiasm which will find vent on the fourth of March.

Deaf for a Year Caused by Catarrh in the Head

Catarrh is a CONSTITUTIONAL disease, and requires a CONSTITUTIONAL REMEDY like Hood's Sarsaparilla to cure it. Read: "Three years ago, as a result of catarrh, I entirely lost my hearing and was deaf for more than a year. I tried various things to cure it, and had several physicians attempt it, but no improvement was apparent. I could distinguish no sound. I was intending putting myself under the care of a specialist, when some one suggested that possibly Hood's Sarsaparilla would do me some good. I began taking it without the expectation of any lasting help. To my surprise and great joy I found when I had taken three bottles that my hearing was returning. I kept on till I had taken three more. It is now over a year and I can hear perfectly well. I am troubled but very little with the catarrh. I consider this a remarkable case, and cordially recommend Hood's Sarsaparilla to all who have catarrh." HERMAN HICKS, 30 Carter Street, Rochester, N. Y.

HOOD'S PILLS are purely vegetable, and do not purge, pain or gripe. Sold by all druggists.

Blackwell's Bull Durham Smoking Tobacco

Has been popular with smokers everywhere for over twenty-five years. It is just as Good Now as Ever. Its FLAVOR, FRAGRANCE and PURITY have contributed largely to the growing popularity which pipe smoking enjoys. Pipe smoking is growing in favor because finer, sweeter and better tobacco can be had in this form and at much less cost than in cigars.
