Castoria is

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its effect upon their children."

Dr. G. C. Osmond,
Lowell, Mass.

Castoria is the best remedy for children of which I am acquainted. I hope the day is not distant when mothers will consider the health of their children, and use Castoria instead of the various quack nostrums which are being tried upon their children, by forcing opium, rhubarb, soothing syrup and other hurtful medicines down their throats, thereby sending them to premature graves."

Dr. J. F. Kischelzer,
Conway, Ark.

Castoria

Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

Dr. A. A. Adams, M. D.,
1110 Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their clinical practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

A woman "run-down," overworked, weak, nervous and debilitated—that's a woman that Dr. Pierce's Favorite Prescription is made for. It gives her health and strength. All woman's weaknesses and all woman's ailments are cured by it. It's a legitimate medicine—not a beverage; an invigorating, restorative tonic and a soothing and strengthening nerve, free from alcohol and injurious drugs. It imparts tone and vigor to the whole system.

For all functional irregularities, periodical pains, organic displacements and uterine diseases, it's a positive remedy.

And a guaranteed one. If it doesn't give satisfaction, in every case, the money paid for it is refunded. No other medicine for women is sold on these terms. That's because nothing else is "just as good." Perhaps the dealer will offer something that's "better." He means that it's better for him.

MISSISSIPPI

John Ruskin, the greatest of the world's art critics has become an embeccle, and can hardly tell a photograph from an oil painting. What a transformation.

A woman appeared at a theater in Portland wearing hoop skirts, causing consternation. It is safe to predict that women with very much levelheadedness will not go back to crinolines.

The Oregonian says Salem is fattening on State appropriations, which is true; but it is also true, as the Statesman says, that she would fatten any way. It would be much slower.

A gentleman who does not want his name published has left at the Statesman office a silver dollar, as a nest-egg for the "McKintley relief fund." He suggests that the admirers of the Ohio statesman and governor in this section, who feel so disposed, send into this office one dollar each, the money to be presented by this paper to Governor McKinley to help retrieve his losses made by endorsing for a false friend.—Statesman.

The Portland Telegram contains a column article on street lighting, and gives lists of prices. The average annual cost of 37 cities for all night lighting contract system, is given as \$130.50. This includes Ottumwa, Iowa, at \$44, the lowest, and San Francisco, the highest, at \$200.75. The average cost by the moonlight system of 30 cities is \$103.11; all night, where owning their own plant, of five cities \$84.28; on moonlight system, 12 cities, \$60.98.

Prevention Better Than Cure

Many persons are afflicted with skin eruptions, boils or ulcers. Brandreth's Pills taken freely will in a short time effect a complete cure of all such troubles. Ulcers of long standing have been cured by them. Carbuncles have been checked in their incipency by them. The worst fever sores, bed sores, and the like have been driven from the skin by them. Only begin in time and a few of Brandreth's Pills will prevent many a sickness. Brandreth's Pills are purely vegetable, absolutely harmless, and safe to take at any time.

This is Meant or You

It has been truly said that half the world does not know how the other half lives. Comparatively few of us have perfect health, owing to the impure condition of our blood. But we walk along from day to day, with scarcely a thought, unless forced to our attention, of the thousands all about us who are suffering from scrofula, salt rheum and other serious blood disorders, and whose agonies can only be imagined. The marked success of Hood's Sarsaparilla for these troubles, as shown in our advertising columns frequently, certainly seems to justify arguing the use of this excellent medicine by all who know that their blood is disordered. Every claim in behalf of Hood's Sarsaparilla is fully backed up by what the medicine has done and is still doing, and when its proprietors urge its merits and its use upon all who suffer from impure blood, in great or small degrees, they certainly mean to include you.

WHEN you come to Albany Don't fail to visit Hodges & McFarland.

A Reward of \$500

Will be given away for any case of Rheumatism which cannot be cured by Dr. Leonard's Lightning Remedy. The proprietors do not hide this offer, but print it in bold type on all their circulars, wrappers, printed matter, and through the columns of newspapers every where. It will work wonders—one bottle curing any ordinary case. If the druggist has not got it, he will order it, or it will be sent to any address by express on receipt of price, together with special instructions. TELEGRAPHIC NEWS.

A Disgusted Republican.
GRAND FORKS, N. D., Feb. 27.—George Walsh, speaker of the house of representatives, has renounced the republican party and gone over to the democrats. He declares the senatorial contest at Bismarck ought to end the existence of the republican party in the state.

Will be Short.
NEW YORK, Feb. 27.—St. Clair McKelway, editor of the Brooklyn Eagle, has been for several days at Lakewood, N. J. During that time he has had several conferences with President-elect Cleveland. He tonight writes his paper as follows: "Mr. Cleveland's inaugural address, as president of the United States for the four years from March 4 next, will contain about 1700 words, and will be more general than specific in character. Mr. Cleveland has carefully written out what he desires to say, but will speak at the inaugural without manuscript."

The Proper Decision.
SALEM, Or., Feb. 27.—In the supreme court today the state board of equalization tax case was decided. This was the case of Ira Goodenough, appellant, vs T. C. Powell et al, respondents, on appeal from Multnomah county. The judgment of the lower court was affirmed and the bill dismissed. The opinion was by Lord, chief justice. The court held that it would be time enough for complainant to ask for an injunction after the assessment was extended and the party had paid the part conceded to be due when it was sought to collect the tax, assuming that the assessment had been fraudulently made, as alleged.

Cold Blooded Murder.
SPOKANE, Wash., Feb. 27.—Phillip Miller, a prominent lumberman and contractor, was found murdered here about 8 o'clock this evening. The murderers were young men and strangers in this locality. It is supposed they had a dispute about an account with Mr. Miller, when one of them, who carried a loaded rifle, deliberately shot him through the heart. The murder was committed on the south bank of the river, near the ferry landing, and before the report of the murder reached the officers the murderers escaped through the darkness in an easterly direction.

Will Help the Northwest.
TACOMA, Wash., Feb. 27.—The new east-bound local freight tariff of the Northern Pacific, received today, gave local jobbers a pleasant surprise, caused by the fact that northwest coast cities are given the same rates to Helena and Butte as St. Paul and Minneapolis, thus greatly extending the jobbing field of Tacoma, Seattle and Portland. Heretofore the eastern jobbers had the advantage of rates as far west as Spokane.

The Worst of the Season.
MINNEAPOLIS, Feb. 27.—The worst snow-storm of the season has been raging since daylight, with little signs of a let up. Street car traffic tonight is in a bad way.

An Important Difference.
To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a restorative condition is easily cured by using Syrup of Figs, Manufactured by the California Fig Syrup Co.

If you get a bicycle, get a good one. Don't get a poor one. Van Wilson, with Stewart & Sox, has a sample Imperial, pneumatic tire, and a junior Falcon for boys or girls, pneumatic tire, that are fine machines. Call and see them.

The Union Pacific have published a very neat pictorial World's Fair folder, containing colored lithographs of the various Exposition buildings, bird's eye view of the grounds, with a complete map of the city, showing location of the fair, hotels, railway depots, street car lines and city parks. Copy of same may be had by addressing W. H. Harburt, Assistant General Passenger Agent, Portland, Ore.

Look Out.—At zero or below it is a dangerous condition of temperature to those of feeble constitutions, either from age or infirmity. It is just such a condition of the weather as increases ten-fold the intensity of spread of rheumatic pains and aches. But the remedy we advise is so simple and sure it is to be wondered at that any permit themselves to suffer a day, or an hour, when at any drug store St. Jacobs Oil can be had, which not only cures rheumatism, but there is a return of the trouble.

Only Right to Tell.
The Rev. Mark Gay Pease, the eminent English Divine writes: BRADFORD FLAGG, RUSSELL SQUARE, LONDON, December 10, 1888. "I think it only right that I should tell you of how much use I find Alcock's Porous Plasters in my family and among those to whom I have recommended them. I find them a very efficacious agent against colds and coughs."
