ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby. Severe Doctors and Two Hospitals. Fail. Cured by Cuticura.

My baby, boy, 3 months old, broke out with eczema. The itching and burning was intense. The eczema spread to his limbs, breast, face, and head, until he was nearly covered; his torturing agonies were pitiable to behold; he had no peace and no little rest night or day. He was under treatment at different times at two hospitals and by several doctors in this city without the least benefit; every prescription of the doctors was faithfully tried, but he grew worse all the time. For months I expended about \$25 per week on medicine, and was utterly discouraged. I purchased CUTICURA, CUTICURA SOAP and CUTICURA RESOLVENT and followed the directions. Relief was immediate. He was soon cured, and rest and sleep were again enjoyed. He is now as clear as a bell and his mother could wish to see no other baby mother to use it for every child.

GOOD Food - Digestion - Complexion

are all intimately connected - practically inseparable. Though the fact is often ignored, it is nevertheless true that a good complexion is an impossibility without good digestion, which in turn depends on good food.

There is no more common cause of indigestion than food. Let the bright house-keeper use
