ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby.
Seven Doctors and Two Hospitals
Fail. Cured by Cuticura.

My baby, boy, 5 months old, broke out with
eczema. The itching and burning was intense.
The eruption spread on his limbs, breast, face, and
back, and he was nearly covered. His father and
mother were unable to help him; he had no peace
and but little rest night or day. He was under
treatment at different times at two hospitals and by
doctors in this city without the least benefit; every
prescription of the doctors was faithfully tried, but a
few months I expended about \$5 per week on
medicines, and was so tired and discouraged. I
purchased CUTICURA, Cuticura Soap and CUTICURA
RESOLVENT and followed
the directions. Relief was immediate.
The itching ceased, and the redness and swelling
subsided. He is now as clear as a child and
is as healthy as ever. I am so glad to say
as my mother could wish to see
any mother to use it for every skin
disease.

MRS. M. FERGUSON,
86 W. Brookline St., Boston.

GOOD Food - - -
Digestion - - -
Complexion - - -

are all intimately connected
- practically inseparable.
Though the fact is often
ignored, it is nevertheless
true that a good complex-
ion is an impossibility with-
out good digestion, which
in turn depends on good
food.

There is no more common
cause of indigestion than
lard. Let the bright house-
keeper use
