Your S. B. Cough Cure has cured and kept away all sickness from me. So give it to every one, with greetings for all. Wishing you prosperity, we are,

NEWS.

The Penitentiary E. O. has been telling how that city was to have a free delivery, that the streets were numbered and everything arranged. There was a big slip. The E. O. says: "The late postmaster, Ben Burroughs, remitted \$8,000.94 for the fiscal year ending March 31, 1893, \$9,94 more than enough to place the office on a second-class basis; but it was discovered at the department that there were errors in the accounts that make a difference of \$20 in Mr Burroughs's favor, and this amount has been credited to him. This cuts the total down to \$7,989.94, or about \$11 less than is required to put Penitentiary in the second-class list. Even had it been in the second-class list it probably would not have had a free delivery."

A WHOLESALE MERCHANTS' EXCURSION.—The Oregon Pacific railroad company have arranged to run a Wholesale Merchants' Excursion from San Francisco to Albany on July 27th. The steamship "Willamette Valley" will leave with this party on the evening of that day, arriving at Ysquina on the 29th or 30th. The San Francisco Board of Trade will attend this excursion in a party. It is the intention to entertain them in the same way that they entertained the Oregon merchants on their recent trip. It is desirable that these merchants should visit as many points in the Willamette valley as possible. They will be allowed five days to spend throughout the valley. Another Merchants' Excursion will probably be started for San Francisco on Aug 14th. All arrangements will be made to entertain them nicely upon their arrival in San Francisco.

The Best in the World.
Senator Henry C. Nelson, of New York, writes: "On the 27th of February, 1893, I was taken with a violent pain in the region of the kidneys. I suffered such agony that I could hardly stand up. As soon as possible I applied two Alcock's Porous Plasters, one over each kidney, and laid down. In an hour, to my surprise and delight, the pain had vanished and I was well. I wore the plasters for a day or two as a precaution, and then removed them. I have been using Alcock's Porous Plasters in my family for the last ten years, and have always found them the quickest and best remedy for colds, strains and rheumatic affections. From my experience I believe they are the best plasters in the world."

I am no traveling photo here today and gone tomorrow, but have come with wife and children to make a home in your glorious climate. I have come to stay. Please call and see me and try my work. Very respectfully yours,
S. A. HAMMILL,
Late of Toronto, Canada.

Twenty Years' Experience.
C. D. Fredricks, the well known photographer, 770 Broadway, New York, says: "I have been using Alcock's Porous Plasters for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back Alcock's Plasters fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin or cause the slightest pain, but cure sore throat, coughs, colds, pain in the side, back or chest, indigestion and bowel complaints."

TELEGRAPHIC NEWS.

A Death Dealing Cyclone.

FORT DODGE, Ia., July 7.—Seventy-four people dead, at least five more to die, and over 100 injured is the result of the cyclone that started at Quincy and ended with awful results at Pomeroy last night. At the latter place 43 are dead and over 100 blocks of residences are demolished. Nothing remains but kindling wood. Two hundred families are homeless, many having lost all. Business blocks are badly damaged, and the new postoffice, a drug store and seven churches are completely demolished. The loss in Pomeroy will reach fully \$50,000. All is chaos there.

A Bank Fight.

FORT WORTH, Tex., July 7.—A P. Tuckett, president of the Merchants' National bank, which temporarily suspended 13 months ago; A. B. Smith, cashier, R. M. Page, vice president, and Colonel R. M. Wynne were in consultation over the affairs of the bank yesterday morning, in the cashier's office, when a dispute arose. Page and Smith disagreed, and drew pistols. Eight shots were fired. Page received a deep flesh wound, which is not serious. Colonel R. M. Wynne pushed between the men and forced Smith on the other side of brass wicket door. He then left the bank. Smith and Page emptied their pistols at each other, but neither was hit.

The President Not Sick.

BUZZARD'S BAY, Mass., July 7.—President Cleveland was tonight feeling better than he did this morning. His knee is lame and his left foot is swollen so that he is obliged to wear a big shoe. The published report that the president was suffering with cancer is denied. The following was sent tonight to Secretary Gresham, at Washington, by Secretary Lamont: "The president is laid up with rheumatism in the knee and foot, but will be out in a day or two. There is no occasion for any uneasiness."

A New Receiver.

CORVALLIS, July 7.—Walter T. Wiles recently filed his resignation as assignee of the Corvallis Carriage & Wagon Co., and an election to fill the vacancy was ordered to take place before the clerk of the circuit court today. N. B. Avery, of this city, was nominated and received all the votes cast. Parties representing some \$10,000 in claims did not vote and propose contesting the legality of the proceedings.

A Paper Suspended.

ASTORIA, Or., July 7.—The Evening Examiner, which has been run here for the past three years by George Hibbert, a press veteran of the coast, suspended publication last night on account of dull times. The Examiner during its existence was one of the brightest and clearest daily papers in the state.

The Portland and Astoria Road.

ASTORIA, July 7.—W. H. Remington left here tonight with a receipt for all the debts to the railroad subsidy from Case's bank in his pocket. He goes east at once to arrange about construction, and to bind the financial part of the Astoria & Portland railroad.

They will sell tickets from Portland to St. Paul for \$25 first-class, and make corresponding low rates to all eastern points. World's fair round trip rates will be greatly reduced. Proof of Merit

The proof of the merits of a plaster is the cures it effects, and the voluntary testimonials of those who have used Alcock's Porous Plasters during the past thirty years is unimpeachable evidence of their superiority and should convince the most skeptical. Self praise is no recommendation, but certificates from those who have used them are.

Beware of imitations and do not be deceived by misrepresentation. Ask for Alcock's and let no solicitation or explanation induce you to accept a substitute.
