The *Australian Review* says: "Wool is  
 still at an abnormally low level." And  
 yet protectionists tell us that the "prospect  
 of free trade" has ruined prices in America.  
 Why then, is the wool market demoralized  
 in Australia. The same "prospect" should  
 have the effect of strengthening prices there,  
 if this assertion were true. The real cause  
 of the low price of wool seems to be over  
 production.—*Rosburg Review.*

The area of the United States, exclusive  
 of Alaska, is 3,000,000 square miles. Over  
 100 surveyors are now employed in surveying  
 and preparing maps of the country,  
 and about one fifth of the whole area has  
 already been surveyed during the 10 years  
 in which the work has been in progress.  
 About 60,000 square miles are annually  
 surveyed, and it is estimated that it will  
 require 40 years more to complete the map.

**LEBANON.**—At a meeting of the city  
 council last Friday evening, Mayor Halston  
 tendered his resignation, which was accept-  
 ed, and Hon. M. A. Miller was elected to suc-  
 ceed him on the expiration term.

T. C. Peckler killed a large eagle while in  
 the mountains recently. It measured 7 feet  
 11 inches from tip to tip of wings, and 28  
 inches from head to tail. Dr. Prill has  
 mounted the bird.

J. J. Dubraille has rented Dr. Foley's house  
 on Main street, where Mr. King now lives.  
 He intends moving to Lebanon in the near  
 future.

To break the monotony Tuesday evening,  
 some of our citizens got up a fat man's race.  
 The distance run was one block, or about  
 250 feet; and the winner was to receive a  
 sack of flour. J. H. Frey, — Kelsey, Jas.  
 Sharp and P. W. Morgan entered the race.  
 The race was won by J. H. Frey who got the  
 sack of flour, but it was very close between  
 him and Kelsey.—*Advance and Express.*

**A Wholesale Merchants' Excursion.**  
 The Oregon Pacific railroad company  
 have arranged to run a Wholesale Mer-  
 chants' Excursion from San Francisco to  
 Albany on July 27th. The steamship  
 "Willamette Valley" will leave with this  
 party on the evening of that day, arriv-  
 ing at Yaquina on the 29th or 30th. The  
 San Francisco Board of Trade will at-  
 tend this excursion in a party. It is the  
 intention to entertain them in the same  
 way that they entertained the Oregon  
 merchants on their recent trip. It is  
 desirable that these merchants should  
 visit as many points in the Willamette  
 valley as possible. They will be allowed  
 five days to spend throughout the valley.  
 Another Merchants' Excursion will  
 probably be started for San Francisco on  
 Aug 14th. All arrangements will be  
 made to entertain them nicely upon their  
 arrival in San Francisco.

**The Best in the World.**  
 Senator Henry C. Nelson, of New York,  
 writes: "On the 27th of February, 1893,  
 I was taken with a violent pain in the re-  
 gion of the kidneys. I suffered such  
 agony that I could hardly stand up. As  
 soon as possible I applied two Alcock's  
 Porous Plasters, one over each kidney,  
 and laid down. In an hour, to my surprise  
 and delight, the pain had vanished and I  
 was well. I wore the plasters for a day or  
 two as a precaution, and then removed  
 them. I have been using Alcock's Porous  
 Plasters in my family for the last ten  
 years, and have always found them the  
 quickest and best remedy for colds, strains  
 and rheumatic affections. From my ex-  
 perience I believe they are the best plasters  
 in the world."

**THE NORTHERN PACIFIC RAILROAD**  
**WILL SLASH THE RATES.**—Officials of the  
 Northern Pacific Railroad have decided to  
 place low rates into effect. They will sell  
 tickets from Portland to St. Paul for \$25

 round trip rates will be greatly reduced.  
 Tickets can be utilized on either of their  
 through trains, both of which will continue  
 to carry the Pullman tourist upholstered  
 sleepers. Two trains daily without change.

 sleeping car accommodations, call on, or  
 address A. D. Charlton, assistant general  
 passenger agent, No. 121 First street,  
 corner of Washington, or C. G. Burkhardt, local  
 agent, Albany Oregon.

**NEW PHOTOGRAPHER.**—I have opened a  
 new gallery in the Y. M. C. A. block, 2nd  
 street, Albany, and will try hard to please  
 all who will favor me with their patronage.  
 I will take all sizes and styles of photos as  
 good as the best and as cheap as the cheap-  
 est. I am not traveling photo here today  
 and gone tomorrow, but have come with  
 wife and children to make a home in your  
 glorious climate. I have come to stay.  
 Please call and see me and try my work.  
 Very respectfully yours,  
 S. A. HAMMILL,  
 Late of Toronto, Canada.

When duty was sick, she used the  
 Alcock's Porous Plaster, and found it  
 the best remedy for colds, strains and  
 rheumatic affections. From my ex-  
 perience I believe they are the best  
 plasters in the world.

## TELEGRAPHIC NEWS.

**A Peculiar Suit.**  
**TORONTO, Kan., July 13.**—James Butler,  
 of Lyon county, has prepared papers in a  
 case which he is about to institute against  
 A. B. Montgomery for destroying his crops  
 by causing a cloudburst in the midst of  
 harvest. Montgomery is a rainmaker,  
 living at Goodland. About two weeks ago  
 a terrific storm, which ended with a cloudburst,  
 did great damage in Lyon county.  
 No warning of the storm was given by the  
 barometer and the signal service was un-  
 able to explain it. Montgomery at once  
 began to boast that he had created the dis-  
 turbance. Butler suffered a heavy loss as  
 the result of the downpour, and now seeks  
 to recover damages. The same cloudburst  
 caused the wreck of a Santa Fe train near  
 Emporia, in which a fireman and an engi-  
 neer were killed.

**Failures for Six Months.**

**SAN FRANCISCO, July 13.**—The Brad-  
 street mercantile agency makes the follow-  
 ing report of failures in the Pacific states  
 and territories for the first six months of  
 1893:

**CHICAGO, July 13.**—Amelia Berg, a  
 German girl who puts trained tigers  
 through a performance at the menagerie in  
 Midway Plaisance at the world's fair, was  
 badly hurt tonight by a new tiger. She  
 was trying to make the brute sit on a stool  
 and when he refused she tried to drag him  
 by his fore-paws: He was too heavy and  
 the girl slipped and fell. The tiger leaped  
 upon her like a flash, and before the at-  
 tendants could drive him away he had  
 lacerated the girl's right thigh in a fearful  
 manner. Miss Berg was carried from the  
 arena unconscious, but not fatally injured.

**Colonel Miller Home.**  
**PORTLAND, July 13.**—Colonel Robert A.  
 Miller, of Jacksonville, who was recently  
 appointed receiver of the land office at O-  
 regon City, arrived from Washington, D. C.  
 yesterday, and is staying at the Perkins.  
 He is accompanied by his brother, William  
 L. Miller, and George R. Neil. Both young  
 men were recently graduated from the law  
 department of the Ann Arbor university,  
 and will go to Salem today to apply for  
 admission to the supreme court. Colonel  
 Miller will accompany them. In a day or  
 two he will go to Jacksonville, where his  
 commission is awaiting him.

**A Daring Robbery.**  
**OSGEO, Kan., July 13.**—The bank  
 of Osgo, owned by C. M. Condon,  
 of Oswego, was robbed at noon today by  
 three men, who rode into town and, enter-  
 ing the bank, tied and gagged the cashier,  
 J. O. Wilson, and secured the money in  
 sight, which amounted to \$800. Before  
 Wilson could give an alarm the robbers  
 escaped, and are on their way to the terri-  
 tory, 20 miles south.

**The Ladies.**  
 The pleasant effect and perfect safety  
 with which ladies may use the California  
 liquid laxative Syrup of Figs, under all  
 conditions, makes it their favorite remedy.

 for the name of the California Fig Syrup  
 Co., printed near the bottom of the pack-  
 age.

**Twenty Years' Experience.**  
 C. D. Fredricks, the well known photo-  
 grapher, 770 Broadway, New York,  
 says: "I have been using Alcock's Porous  
 Plasters for 20 years, and found them  
 one of the best of family medicines.  
 Briefly summing up my experience, I say  
 that when placed on the small of the back  
 Alcock's Plasters fill the body with ner-  
 vous energy, and thus cure fatigue, brain  
 exhaustion, debility and kidney difficul-  
 ties. For women and children I have  
 found them invaluable. They never irri-  
 tate the skin or cause the slightest pain,  
 but cure sore throat, coughs, colds, pain in  
 the side, back or chest, indigestion and  
 bowel complaints."

**Eternal Vigilance**  
 is the price of health. But with all our  
 precaution there are enemies always lurk-  
 ing about our systems, only waiting a  
 favorable opportunity to assert themselves.  
 Impurities in the blood may be hidden for  
 years or even for generations and suddenly  
 break forth, undermining health and  
 hastening death. For all diseases arising  
 from impure blood Hood's Sarsaparilla is  
 the unequalled and unapproachable reme-  
 dy. It is King of them all, for it conquers  
 disease.

**Proof of Merit**  
 The proof of the merits of a plaster is  
 the cures it effects, and the voluntary  
 testimonials of those who have used Al-  
 cock's Porous Plasters during the past  
 thirty years is unimpeachable evidence of  
 their superiority and should convince the  
 most skeptical. Self-praise is no recom-  
 mendation, but certificates from those who  
 have used them are.  
 Beware of imitations and do not be de-  
 ceived by misrepresentation. Ask for Al-  
 cock's, and let no solicitation or explana-  
 tion induce you to accept a substitute.
