Things Worth Remembering.

When you feel a kind of goneness about the stomach it is a sign that your food does not sit well and that you are about to have a fit of indigestion.

When you begin to feel nervous and are unable to sit still comfortably; when your clothes suddenly seem to lose their fit and become too tight in places the fit of indigestion is surely upon you.

When this fit of indigestion is repeated from day to day it finally resolves itself into dyspepsia.

Remember that three to ten of Brandreth's Pills will cure the worst case of indigestion or dyspepsia, or both, and that a regular course of them, say two every night for a week or ten days, will act as a preventive of either complaint.

A GREAT CONVENIENCE.—World's fair visitors traveling via the Northern Pacific R.R. and Wisconsin Central line, are landed at the Grand Central station in Chicago. This magnificent fire-proof building, located in the heart of the city, has been fitted up as a hotel, run on the European plan, with about 200 rooms handsomely furnished and each room supplied with hot and cold water, electric lights, etc. The charge for accommodations are reasonable, and parties can agents of the Northern Pacific R.R. By taking the Northern Pacific through car line to Chicago, visitors will avoid the discomfort of all transfer in that city, and can also travel between the Grand Central station and World's fair grounds by trains which run direct between the two points.

A WHOLESALE MERCHANTS' EXCURSION.—The Oregon Pacific railroad company have arranged to run a Wholesale Merchants' Excursion from San Francisco to Albany on July 27th. The steamship "Willamette Valley" will leave with this party on the evening of that day, arriving at Yaquina on the 29th or 30th. The San Francisco Board of Trade will attend this excursion in a party. It is the intention to entertain them in the same way that they entertained the Oregon merchants on their recent trip. It is desirable that these merchants should visit as many points in the Willamette valley as possible. They will be allowed five days to spend throughout the valley. Another Merchants' Excursion will probably be started for San Francisco on Aug. 14th. All arrangements will be made to entertain them nicely upon their arrival in San Francisco.

THE NORTHERN PACIFIC RAILROAD WILL SLASH THE RATES.—Officials of the Northern Pacific Railroad have decided to place low rates into effect. They will sell tickets from Portland to St. Paul for \$25 first-class, and make corresponding low rates to all eastern points. World's fair round trip rates will be greatly reduced. TELEGRAPHIC NEWS.

A Small Attendance

CHICAGO, July 16.—Notwithstanding it was advertised far and wide that the proceeds of today's ticket sales at the world's fair were to be donated to the families of the firemen who lost their lives in the awful fire of last Monday, the attendance was unusually small. The total admissions, according to the estimate of the bureau of admission, will scarcely reach 35,000, and when it was announced as the last open Sunday of the fair, in the eyes of some officials, at least, the day was pronounced a failure.

Jewish Persecutions.

ST. PETERSBURG, July 16.—The Jews of Yalta, in the Crimea, have refused to obey the decree to retire within the pale. For several days the clergy have exhorted the population to rise and expel them. Last week an anti-Jew mob took possession of the streets, broke into the houses occupied by Jews and tried to drive the occupants from the town. The Jews fought back. Dozens were dragged into the streets and beaten, and many were killed. Houses owned by Jews were plundered and wrecked. The troops were called to the town to restore order. None of the rioters were killed and but few injured.

A Reign of Terror.

HELENA, Mont., July 16.—The closing down of the silver mines at Granite and Phillipsburg, where the Granite Mountain and Bimetallic mines, the two greatest silver producers in the state, are located, has resulted in the inauguration of a reign of terror in the two camps. Some 5000 men have been employed in the mines and mills there and a large majority of these are of a foreign birth.

A Corvallis Failure.

CORVALLIS, Or., July 15.—J. C. Mohr, a retail drygoods dealer of this place, filed a deed of assignment for the benefit of his creditors today. W. S. Huford being named as assignee. The deed shows liabilities of about \$4000, with assets of \$2000. The assigner began business about eight months ago and conducted it altogether on a cash basis. In view of this fact the showing made is anything but flattering.

A Record Broken.

GOSHEN, Ind., July 15.—C. C. Morris, of California, won the 100-yards sprinting event today for the championship of the United States. His time was 9 3/5 seconds, less than seven starts. Adams, of Wisconsin, came close to Morris. The prize was \$2000 and a diamond medal.

A Good Example.

SPRINGFIELD, Mo., July 16.—President Burlingame, Vice-President Parce and Cashier Newman, of the failed Bank of Commerce, were arrested yesterday on the charge of receiving deposits just before the doors were closed. Burlingame is a member of the city council and a church leader. Parce is mayor of the city.

The pleasant effect and perfect safety with which ladies may use the California Liquid laxative Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

C. D. Fredricks, the well known photographer, 770 Broadway, New York, says: "I have been using Alcock's Porous Plasters for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back Alcock's Plasters fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin or cause the slightest pain, but cure sore throat, coughs, colds, pain in the side, back or chest, indigestion and bowel complaints."
