Attention

In time to any irregularity of the stomach, liver, or bowels may prevent serious consequences. Indigestion, costiveness, headache, nausea, biliousness, and vertigo indicate certain functional derangements, the best remedy for which is Ayer's Pills. Purely vegetable, sugar-coated, easy to take and quick to assimilate, this is the ideal family medicine—the most popular, safe, and useful aperient in pharmacy. Mrs. M. A. BROCKWELL, Harris, Tenn., says: "Ayer's Cathartic Pills cured me of sick headache and my husband of neuralgia. We think there is no better medicine, and have induced many to use it. Thirty-five years ago this Spring, I was laid up by hard work, and a succession of colds, which made me so feeble that it was a effort for me to walk. I consulted the doctor, but kept sinking lower until I had ren up all hope of ever being better, appealing to be in a store, one day, where medicines were sold, the proprietor noticed my weak and sickly appearance, and, after a few questions as to my health, recommended me to try Ayer's Pills. I had little faith in these or any other medicine, but, included, at last, to take his advice and try a box. Before I had used them all, I was very much better, and two boxes cured me, am now 80 years old; but I believe that it had not been for Ayer's Pills, I should have been in my grave long ago. I buy 6 boxes every year, which make 240 boxes up to this time, and I would no more be without them than without bread."—H. H. Graham, Rockland, Me.

The earnings of about 100 of the principal railroads of the United States in May were nearly 10 per cent greater than the income of the same representative group of roads in the corresponding period of 1892. Railroad officials believe that 1893 is destined to rank high among the best years the American railroads have ever known.

Why does not some millionaire found a free college for the education of poor and bright boys? There is more material in thousands of these boys than there is in an equal number of rich men's boys. It would be an easy matter to single out those who should have the benefit of the institution.—Medford Mail.

The prices of wheat, wool, cotton, hides, leather, and, in fact, nearly all products and commodities, were never so low, and they are today practically below the cost of production.—American Cultivator.

The first grant of public land by the United States to a railroad was made in 1849, and consisted of 1,000,000 acres given to the Mobile & Ohio Railroad.

A WHOLESALE MERCHANTS EXCURSION.—The Oregon Pacific railroad company have arranged to run a Wholesale Merchants' Excursion from San Francisco to Albany on July 27th. The steamship "Willamette Valley" will leave with this party on the evening of that day, arriving at Yaquina on the 29th or 30th. The San Francisco Board of Trade will attend this excursion in a party. It's the intention to entertain them in the same way that they entertained the Oregon merchants on their recent trip. It is desirable that these merchants should visit as many points in the Willamette valley as possible. They will be allowed five days to spend throughout the valley. Another Merchants' Excursion will probably be started for San Francisco on Aug 14th. All arrangements will be made to entertain them nicely upon their arrival in San Francisco.

The proof of the merits of a plaster is the cures it effects, and the voluntary testimonials of those who have used Alcock's Porous Plasters during the past thirty years is unimpeachable evidence of their superiority and should convince the most skeptical. Self-praise is no recommendation, but certificates from those who have used them are.

Beware of imitations and do not be deceived by misrepresentation. Ask for Alcock's and see no solicitation or explanation induce you to accept a substitute.

TELEGRAPHIC NEWS.

Was It Blown Up?
NEW YORK, July 23.—A new and startling theory is advanced as to the cause of the sinking of the British battleship Victoria by the Camperdown. The Irish revolutionists claim the sinking of the British battleship was the result of accident, but of a deep laid plot, which has for its object the destruction, if possible, of the British navy and infliction of dire injury on England in every quarter of the globe. A circular signed "The Executive," a copy of which a morning paper has succeeded in obtaining, claims for the revolutionists the honor of striking a heavy blow to England.

Closed Sunday.
CHICAGO, July 23.—The White City was deserted today, and the warm sun of a peaceful Sunday shone upon desolate thoroughfares. The Columbian Guards and a few inhabitants of Midway Plaisance, who had left that cosmopolitan place during the day to view the buildings in the park were alone visible. The Sunday-closing law was rigidly enforced, and any person who entered the grounds had to prove that his presence there was absolutely necessary.

Another Revolt in Brazil.
LONDON, July 23.—A dispatch from Rio Janeiro says that a revolution has broken out in the state of Santa Catharina, which borders Rio Grande du Sul. Government troops are reported to have joined the revolutionists, whose purpose is to dispose of the government of the state. The cruiser Tiradentes has been dispatched from Rio Janeiro to suppress the revolutionary movement along the coast.

Bank Failures.
WASHINGTON, July 22.—Since January nearly 200 national banks have closed their doors against less than 50 in the same period last year. Of the failures this year, five have been United States depositories. The government, however, will not lose anything by these failures, for each national bank that is a government depository has to deposit United States bonds to the amount of the government money it is allowed to carry.

Ready for War.
LONDON, July 22.—The correspondent of the Daily Chronicle says: "The Siamese warships are anchored one mile from the French and crowded with men ready for action. Their intention is, in case the French commence hostilities, to steam down and ram the French gunboats, attempt to board them in force and attack the crews with fixed bayonets. The German gunboat Wolf has arrived."

Heavy Fighting in Nicaragua.
PANAMA, July 23.—News has been received showing hard fighting is in progress near Maten, Nicaragua, between the Leon revolutionists and the government troops. Five thousand men engaged in battle, the result of which is not known here.

The Ladies.
The pleasant effect and perfect safety with which ladies may use the California Liquid Laxative Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co. printed near the bottom of the package.

Things Worth Remembering.
When you feel a kind of goneness about the stomach it is a sign that your food does not sit well and that you are about to have a fit of indigestion. When you begin to feel nervous and are unable to sit still comfortably; when your clothes suddenly seem to lose their fit and become too tight in places the fit of indigestion is surely upon you. When this fit of indigestion is repeated from day to day it finally resolves itself into dyspepsia. Remember that three to ten of Brandreth's Pills will cure the worst case of indigestion or dyspepsia, or both, and that a regular course of them, say two every night for a week or ten days, will act as a preventive of either complaint.

Eternal Vigilance
The price of health, but with all our precaution there are enemies always lurking about our systems, only waiting a favorable opportunity to assert themselves. Impurities in the blood may be hidden for years or even for generations and suddenly break forth, undermining health and hastening death. For all diseases arising from impure blood Hood's Sarsaparilla is the unequalled and unapproachable remedy. It is King of them all, for it conquers disease.

Twenty Years' Experience.
C. D. Fredricks, the well known photographer, 770 Broadway, New York, says: "I have been using Alcock's Porous Plasters for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back Alcock's Plasters fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin or cause the slightest pain, but cure sore throat, coughs, colds, pain in the side, back or chest, indigestion and bowel complaints."
