ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby

Seven Doctors and Two Hospitals

Fall. Cured by Cuticura.

My little boy, 5 months old, broke out with eczema. The itching and burning was intense. The sores spread over his body, breast, face, and neck, until he was nearly covered. His torturing sores were pitiable to behold; he had no power and but little rest night or day. He was under treatment at different times at two hospitals and by seven doctors in this city without the least benefit. After a prescription of the doctor, he was faithfully treated, but the sores grew worse all the time. For months I expected almost no work or play, and was nearly discouraged. I then purchased CUTICURA, and used it as directed. The itching and burning were immediately relieved, and the sores began to heal. In a few days the sores were all healed, and the child was as healthy as ever. I can now say that CUTICURA is the best remedy for eczema, and I can recommend it to every mother who has to use it for every baby.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it causes deafness, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
