## REVERE HOUSE

ALBANY - OREG. JAS. FERRELL - PROPRIETOR

### INCOME TAXES AVAILABLE

England's present income tax system was inaugurated by Peel when he began the work of tariff reform. He anticipated a falling off in revenue receipts and revived the income tax.

We can comfortably use it as he did. There is no need for hesitating in the change to a tariff for revenue. The heavy discrimination against the homes can be abolished and deficiencies can be at once made up by a tax on the gains of those who have wealth to spare. The country requires activity of trade in its surplus staples more than it has since the tariff question became prominent in politics. Rapid recovery from the effects of the financial stringency will be impossible unless our chief products are marketed easily and at good prices.

A complete revenue tariff act cannot be prepared and passed by the special session, but the ways and means committee ought to get down to work upon the tariff at the earliest moment. The special session comes none too soon for a start on the democratic revenue tariff.—Evansville Courier.

### Headache and Dyspepsia

William E. Rockwell, No 512 West 57th Street, New York, says: "I have been a martyr to bilious headache and dyspepsia. Any indiscretion in diet, overfatigue or cold, brings on a fit of indigestion, followed by a headache lasting two or three days at a time. I think I must have tried over twenty different remedies, which were recommended as certain cures by loving friends, but it was no use. At last I thought I would take a simple course of purgation with Brandreth's Pills. For the first week I took two pills every night; then one pill for thirty nights; in that time I gained three pounds in weight, and never had an ache or a pain since." Disease in one part of the body will eventually fill the whole body with disease. Every year or two some part of the system grows weak and begins to decay. Such part should be removed at once, and new matter be allowed to take its place. There's no need of cutting it out with a surgeon's scalpel. Purge away the old, diseased and worn-out parts, with Brandreth's Pills.

### Caution

Imitations have been put upon the market so closely resembling Alcock's Porous Plasters in general appearance as to be well calculated to deceive. It is, however, in general appearance, only that they compare with Alcock's, for they are worse than worthless, inasmuch as they contain deleterious ingredients which are apt to cause serious injury. Remember that Alcock's are the only genuine porous plasters—the best external remedy ever produced; and when purchasing plasters do not only ask for but see that you get Alcock's Porous Plasters.

### Eternal Vigilance

The price of health. But with all our precaution there are enemies always lurking about our systems, only waiting a favorable opportunity to assert themselves. Impurities in the blood may be hidden for years or even for generations and suddenly break forth, undermining health and hastening death. For all diseases arising from impure blood Hood's Sarsaparilla is the unequalled and unapproachable remedy. It is King of them all, for it conquers disease.

### What Shall I Take?

Why Simmons Liver Regulator, of course. It can't be beat in any attack of indigestion, biliousness, sick headache or constipation. It gives quick relief, and if continued for awhile will completely cure these ailments. The Regulator comes in liquid and powder form. The powder is wonderfully convenient for the vest pocket. A pinch of the powder and a swallow of water leaves no taste and works effectually.

### TELEGRAPHIC NEWS.

#### A Funny Story.

WASHINGTON, Aug 9.—A pathetic story comes from Chicago. The other day as an Oregonian was walking down one of the world's fair city he saw a figure on a box. It had a familiar red head, and he touched it. Up it sprang. "For God's sake," he exclaimed, "don't say you saw me here. My money stopped and I am clerking in this shoe store at \$8 a week, trying to make money enough to get home." The statement was confirmed by the proprietor as to situation and salary. The man who was selling shoes at \$8 per week had contributed \$20,000 to democratic success, and with other patriots had come to Washington for his reward, applying for an office worth probably \$15,000 a year. He failed like thousands of others, and started on the tramp homeward. He spent as much every day in Washington as he is now earning every week in Chicago. There is a moral to the story which young men in search of office might heed.

#### Fever in Florida.

PENSACOLA, Fla. Aug 9.—The Escambia county board of health has issued the following official paper:

"The board of health regrets to announce that two deaths have occurred in this city. Rev. F. C. Waite and Ellen Wood. The disease in both cases was pronounced to be yellow fever. The houses have been isolated, bedding and all clothing destroyed, and all necessary precautions taken to prevent the spreading of the fever."

This treated almost a panic, and at least 1500 people left the city by tonight's train.

#### He Skipped.

JACKSONVILLE, Aug 9.—The county commissioners finished investigating the accounts of County Treasurer Bloomer today. The amount of his defalcation is \$7868. At the July term of the court the treasurer was found to be short in his accounts and was asked for a settlement. He claimed to have the money invested and asked for one month's further time. Nothing has been heard of the defaulting treasurer, and it cannot be definitely ascertained in which direction he left Medford, though it is known he bought a ticket there last Saturday night.

#### Good Paying Mines.

BAKED CITY, Aug 9.—The Virtue gold mine this evening sent in \$10,000. The clean-up is the result of 15 days' run of the stamps. The Mable mine has \$2000 to show for five days' work of two stamps. Eight thousand dollars was received from the mines yesterday.

#### Borrowed Money.

SAN FRANCISCO, Aug 9.—The Southern Pacific Railroad Company today borrowed \$800,000 from James L. Ford on a note signed by C. F. Crocker, secured by \$1,000,000 of 6 per cent Southern Pacific bonds. It is said this loan was necessary for the payment of back salaries of employees.

#### Floods in the Arkansas River.

PUEBLO, Colo. Aug 9.—Water in the Arkansas river rose eight feet in an hour last night, submerging the lower part of the city and doing immense damage to bridges and railways.

#### Pure and Wholesome Quality

Commends to public approval the California liquid laxative remedy, Syrup of Figs. It is pleasant to the taste and by acting gently on the kidneys, liver and bowels to cleanse the system effectually, it promotes the health and comfort of all who use it, and with millions it is the best and only remedy.

#### Ask Your Friends

Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another finds it indispensable for sick headache, others report remarkable cures of acrofula, salt rheum and other blood diseases, still others will tell you that it overcomes "that tired feeling," and so on. Truly, the best advertising which Hood's Sarsaparilla receives is the hearty endorsement of the array of friends it has won by its positive medicinal merits.
