ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby Seven Doctors and Two Hospitals Fail. Cured by Cuticura.

My baby boy, 5 months old, broke out with eczema. The itching and burning was intense. The eczema spread over his limbs, breast, face, and head, until he was nearly covered; his torturing agonies were pitiable to behold; he had no more sleep and but little rest night or day. He was under treatment at two different hospitals and by seven doctors in this city without the least benefit; every prescription of the doctors was faithfully tried, but grew worse all the time. For months I agonized, almost all day and night, for such a cure. I finally resorted to Cuticura, and after using it three times, the eczema disappeared, and my baby is now as healthy as a horse. I feel that I owe my baby's recovery to Cuticura. I will give it to every mother who has a baby with eczema.

SICK-HEADACHE

Makes life miserable. All other ailments are as nothing in comparison. Women especially know its suffering, and few escape its torture.

THE RELIEF AND CURE IS

Many people take pills, which gripe and purge, weakening the body. More take Simmons' Liver Regulator, liquid or powder, because more pleasant to take, does not gripe, and is a mild laxative, that also tones up the system. The relief is quick. It is Nature's own remedy, purely vegetable.

"I never found anything to do me any good until I used Simmons' Liver Regulator. It has been three years since I first used it and I have not had Sick Headache since. I sent my sister (who had from one week) one-half of a package, and she has not had it since." - C. S. MOHRIS, Brownsville, W. Va.
