ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby. Seven Doctors and Two Hospitals Fail. Cured by Cuticura.

My baby boy, 5 months old, broke out with eczema. The itching and burning was intense; the eczema spread to his limbs, breast, face, and head, until he was nearly covered; his torturing agonies were pitiable to behold; he had no peace and but little rest night or day. He was under treatment at different times at two hospitals and by seven doctors in this city without the least benefit; every prescription of the doctors was faithfully tried, but he grew worse all the time.
