ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby Seven Doctors and Two Hospitals. Fall. Cured by Cuticura.

My baby boy, 6 months old, broke out with eczema. The itching and burning was intense. The eczema spread over his face, breast, arms, neck, and all over his body. He had no rest and would not eat. I tried all sorts of remedies but nothing helped. I saw an advertisement for Cuticura and bought a box. I used it as directed and in three days the itching and burning were gone. In ten days the eczema was all cured. I am now able to get my baby to eat and sleep. I am very thankful to Cuticura for curing my baby. I will never use any other ointment or cream. I will recommend Cuticura to all my friends. MRS. M. PETERSON, 28 W. Franklin St., Boston.
