

HEADED IN THE RIGHT DIRECTION.

WASHINGTON LETTER.

From our regular correspondent.

Washington, Aug. 28, 1893. No surprise was felt when the house passed the bill for the unconditional repeal of the purchasing clause of the Sherman silver law.

Although the Wilson repeal bill will now go to the senate it is not probable that it will be acted upon, because the Voorhees' repeal bill, with the clause declaring bimetalism to be the policy of the United States, is already before the senate, and is more preferable to the democratic leaders in the senate.

The new rules for the house are a decided improvement upon those of the last session, although few in number the changes are important and were all made with one object in view—the lessening of the power of filibusters to do mischief.

Secretary Herbert can see no good reason why an agent of the Carnegie Steel Company, even though that agent be a naval officer, should be furnished free of charge with a desk in the ordnance bureau of the naval department.

President Cleveland returns to Washington this week to remain until the close of the extra session, and when that will depend on the senate.

It has not yet been definitely decided whether the house shall go right ahead with general legislation, or wait for the senate to act upon the silver question, but it will be this week.

The committee on banking and currency will this week decide whether a bill for the repeal of the tax on state bank currency shall be favorably reported to the house.

Catarth Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarth is a blood or constitutional disease, and in order to cure it you must take internal remedies.

MAKE THEM AT 6 PER CENT ON CITY PROPERTY. M SENDERS

In the repeal of the purchasing provision of the Sherman law the lower house has shown itself headed in the right direction, some members of the senate are somewhat grumpy but the proper thing to do in that body is to pass the house bill at once.

WRINKLES,

and hollow cheeks, and dull, sunken eyes, don't always mean that a woman's old. Half the time they only show that she's overworked or suffering. To such women, to every woman who is tired or afflicted, Dr. Pierce's Favorite Prescription safely and certainly brings back health and strength. It's a legitimate medicine that corrects and cures; a tonic that invigorates and builds up; a nerve that soothes and strengthens. For all the derangements, irregularities and weaknesses peculiar to women, it is the only guaranteed remedy. If it doesn't benefit or cure, you have your money back.

A great many medicines "relieve" Catarrh in the Head. That means that it's driven from the head into the throat and lungs. But, by its mild, soothing, cleansing and healing properties, Dr. Sage's Catarrh Remedy perfectly and permanently cures.
