ALBANY, OREGON, MONDAY, SEPTEMBER 18, 1893.

NO 112

Mrs. J. H. HORSNIDER, 152 Pacific Ave., Santa Cruz, Cal., writes: "When a girl at school, in Reading, Ohio, I had a severe attack of brain fever. On my recovery, I found myself perfectly bald, and, for a long time, I feared I should be permanently so. Friends urged me to use Ayer's Hair Vigor, and, on doing so, my hair

Began to Grow, and I now have as fine a head of hair as one could wish for, being changed, however, from blonde to dark brown."

"After a fit of sickness, my hair came out in combfalls. I used two bottles of **Ayer's Hair Vigor** and now my hair is over a yard long and very full and heavy. I have recommended this preparation to others with like good effect."—Mrs. Sidney Carr, 400 Regina st., Harrisburg, Pa.

"I have used Ayer's Hair Vigor for several years and always obtained satisfactory results. I know it is the best preparation for the hair that is made."—C. T. Arnett, Mammoth Spring, Ark.

The revenues of the Government so far this month, have been only \$3,890,000, and 60 per cent of this was turned over to the pensioners, while the Treasury balance had to be drawn on for other current expenses. It takes time and patience to stop up all the worm-holes made in the Treasury during so many years of republican extravagance.

Always Giving Satisfaction:
"Brandreth's Pills have always given satisfaction. In fifty years there has been no complaint of them. That is about their life in the United States and millions of persons have used them. There is no doubt that they have established themselves by merit alone. They cure rheumatism, dyspepsia, piles, liver complaint, biliousness, and any disease arising from an impure state of the blood. One or two at night on an empty stomach for a week or two, will keep you in good form and tone up the system. They are purely vegetable, absolutely harmless, and safe to take at any time."
Sold in every drug or medicine store, either plain or sugar coated.

WE HAVE TO EAT anyway. The better the groceries the more enjoyable life is, and while we do not all live simply to eat, we certainly eat to live. If you get your groceries and baked goods of Parker Brothers you are bound to live well if it is only on a loaf of rye bread. They keep the best in everything, and sell at prices that satisfy regardless of times. Call on them.

What Shall I Take?
Why Simmons Liver Regulator, of course. It can't be beat in any attack of indigestion, biliousness, sick headache or constipation. It gives quick relief, and if continued for awhile will completely cure these ailments. The Regulator comes in liquid and powder form. The powder is wonderfully convenient for the vest pocket. A pinch of the powder and a swallow of water leaves no taste and works effectually.

A Valuable Remedy.
Hon Edmund L. Pitts, the late president of the New York State Senate, writes: STATE OF NEW YORK, SENATE CHAMBER, ALBANY, March 11th, 1886. I have used Alcock's Porous Plasters in my family for the past five years, and can truthfully say they are a valuable remedy and effect great cures. I would not be without them. I have in several instances given some to friends suffering with weak and lame backs, and they have invariably afforded certain and speedy relief. They cannot be too highly commended.

NEW GRAIN RATES.—The Oregon Pacific Railway has made the exceptionally low rate of \$2.50 per ton on wheat and oats to San Francisco. The company is standing by the farmers and have been led to make this reduction in view of the extremely low prices now prevailing in hopes that it will advance very soon. Reduction takes effect Sept 8th.

Ask Your Friends
Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another finds it indispensable for sick headache, others report remarkable cures of gonorreia, salt rheum and other blood diseases, still others will tell you that it overcomes "that tired feeling," and so on. Truly, the best advertising which Hood's Sarsaparilla receives is the hearty endorsement of the army of friends it has won by its positive effects.

Green Goods.
Don't be tempted to invest in them. You will get into trouble every time and in the end poverty and disgrace. The genuine Uncle Sam's Green Goods are the only ones of value. They make you rich; especially when used to purchase Simmons Liver Regulator to cure your indigestion, dyspepsia, constipation or biliousness, or drive away malaria. Don't be tempted to take anything else in place of the Regulator.

NEW PHOTOGRAPHER.—I have opened a new gallery in the Y. M. C. A. block, 2nd street, Albany, and will try hard to please all who will favor me with their patronage. I will take all sizes and styles of photos as good as the best and as cheap as the cheapest. I am now traveling photo here today and gone tomorrow, but have come with wife and children to make a home in your glorious climate. I have come to stay. Please call and see me and try my work. Very respectfully yours,
S. A. HAMMILL,
Late of Toronto, Canada.

Is Marriage a Failure?
Who shall decide? We have enclosed long ago that it is a success every time with Simmons Liver Regulator in the house. It promotes harmony and good nature by preventing any attack of the worst enemy: indigestion and dyspepsia, which make discord in the brightest home. You will find the regulator a good remedy for biliousness and sick headache. It is the household friend.

TELEGRAPHIC NEWS.

A Very Crazy Man.
ONSET BAY, Mass., Sept 17.—Henry B Foulke, president of the Mahatmas of Theosophists and Spiritualists in this place, announced today that he is the Messiah. He says he has been reincarnated no less than seven times, and that Mme Blavatsky came to prepare the way for his entry as the Christ and to straighten out the serious condition of things now existing in the religious and business world. He says he is in constant communication with "Shades," and that his announcement and actions are placed far beyond his personal control by the Shades of the Thibetan brotherhood. He prophesies that war and bloodshed are soon to follow and that socialism is soon to come out on top.

Everybody Disappointed.
KANSAS CITY, Mo., Sept 17.—A big exodus of disappointed people from the Cherokee strip arrived today. The Santa Fe brought in three special trainloads this morning, and the Rock Island two. All the regular trains on both roads were crowded with men and women who were glad enough to get back to civilization. A party of people from Illinois who had planned to establish a colony of their own in the strip came back on the Santa Fe. They were the most forlorn looking party the officials at the Union depot had ever seen.

A Triple Lincing.
NEW ORLEANS, Sept 17.—There was a triple lincing almost within the shadow of the city last night, but it was conducted so quietly that the account of the horrible affair published this morning was a surprise to the community. The victims were three negro brothers named Juliat, and the crime which they expiated in so summary a manner was the shielding of a fourth brother, Roselius Juliat, who Friday afternoon shot Judge Victor Estopinal to death.

The Epidemic in France.
PARIS, Sept 17.—Cholera is epidemic in the department of the Finistere, which borders on the English Channel. At Camaret, a town of 1200 inhabitants, near Brest, there are 30 cases. Acute cases have been also reported from Jaon, Plebeyn, Triboulet and Douarnenez. Strong efforts are being made to suppress the Catholic pilgrimages to Lourdes, in the department of Hautes-Pyrennes.

Indicted For Gambling.
NASHVILLE, Tenn., Sept 17.—The grand jury of the circuit court, acting under the instructions of Judge Moon, have indicted several well known society people on the charge of gambling. A number of ladies were included in the list. Even Kucher players are much alarmed at Judge Moon's attitude toward the popular parlor games.

Yellow Fever.
WASHINGTON, Sept 17.—The yellow fever situation at Brunswick, Ga., is alarming. Late tonight Surgeon-General Wyman received the following dispatch from Dr Gutters: "Eleven new cases reported and seen today. An epidemic is declared by the board of health."

The True Laxative Principle.
Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions usually sold as medicines, are permanently injurious. Being well informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

NEVER BOTHER
yourself very much about business during the hot months if you wish to keep cool; nor must you go into the habit of asking

A MAN
if it is hot enough for him, when you can see very plainly that he is practically roasted; but, instead, advise him to call on Parker Brothers and get the best baked goods to be secured, as well as warm weather groceries generally.

WHEN HE IS HOT.
By so doing you will surely retain his friendship.

If the hair is falling out and the scalp itchy, the only relief is the skin need stimulating and cooling, and the best remedy and stimulant is Hall's Hair Restorer.

Our Public Schools.
Are the main-stay of our republic. In them are being cultivated the minds which are to be our future law makers and leaders in every walk of life. How essential it is that these minds should be united in strong, healthy bodies. So many children suffer from impurities and poisons in the blood that it is a wonder that they ever grow up to be men and women. Many parents cannot find words strong enough to express their gratitude to Hood's Sarsaparilla for its good effect upon their children. Scrofula, salt rheum and other diseases of the blood are effectually and permanently cured by this excellent medicine, and the whole being is given strength to resist attacks of disease.

A GREAT CONVENIENCE.—World's fair visitors travelling via the Northern Pacific R R and Wisconsin Central line, are landed at the Grand Central station in Chicago. This magnificent fire-proof building, located in the heart of the city, has been fitted up as a hotel, run on the European plan, with about 200 rooms handsomely furnished and each room supplied with hot and cold water, electric lights, etc. The charge for accommodations is reasonable, and parties can secure rooms in advance by calling upon agents of the Northern Pacific R R. By taking the Northern Pacific through car line to Chicago, visitors will avoid the discomfort of all transfer in that city, and can also travel between the Grand Central station and World's fair grounds by trains which run direct between the two points.
C. G. BURHART,
Agent at Albany.

Caution.
Imitations have been put upon the market so closely resembling Alcock's Porous Plasters in general appearance as to be well calculated to deceive. It is, however, in general appearance, only that they compare with Alcock's, for they are worse than worthless. Inasmuch as they contain deleterious ingredients which are apt to cause serious injury. Remember that Alcock's are the only genuine porous plasters—the best external remedy ever produced; and when purchasing plasters do not only ask for but see that you get Alcock's Porous Plasters.

DOWN GO THE RATES.—The Union Pacific now lead with reduced rates to eastern points, and their through car arrangements, magnificently equipped Pullman and Tourist sleepers, free reclining chair car and fast time, make it the best line to travel. Two trains leave from Portland daily at 8:45 a.m. and 7:30 p.m. The rates are now within reach of all, and everybody should take advantage of them to visit the World's fair and their friends in the east. Send for rates and schedules of trains, and do not purchase tickets until after consulting Curran & Monteith, Albany, Or.

Twenty Years' Experience.
"C. D. Fredricks, the well known photographer, 720 Broadway, New York, says: 'I have been using Alcock's Porous Plasters for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back Alcock's Plasters fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin, cause the slightest pain, but cure sore throat, coughs, colds, pain in the side, back or chest, indigestion and all ailments.'"
