DYSPEPSIA

Is that misery experienced when suddenly made aware that you possess a diabolical arrangement called stomach. No two dyspeptics have the same predominant symptoms, but whatever form dyspepsia takes

The underlying cause is in the LIVER,

and one thing is certain no one will remain a dyspeptic who will

Start the Liver working and all bodily ailments will disappear.

"For more than three years I suffered with Dyspepsia in its worst form. I tried several doctors, but they afforded no relief. At last I tried Simmons' Liver Regulator, which cured me in a short time. It is a good medicine. I would not be without it."—JAMES A. ROANE, Philad'a, Pa.
