VOL VI

ALBANY, OREGON, FRIDAY SEPTEMBER 24, 1893.

NO 116

Mrs. J. H. HORNBYER, 152 Pacific Ave., Santa Cruz, Cal., writes: "When a girl at school, in Reading, Ohio, I had a severe attack of brain fever. On my recovery, I found myself perfectly bald, and, for a long time, I feared I should be permanently so. Friends urged me to use Ayer's Hair Vigor, and, on doing so, my hair

**Began to Grow,** and I now have as fine a head of hair as one could wish for, being changed, however, from blonde to dark brown."

"After a fit of sickness, my hair came out in combfalls. I used two bottles of Ayer's Hair Vigor and now my hair is over a yard long and very full and heavy. I have recommended this preparation to others with like good effect."—Mrs. Sidney Carr, 400 Regina st., Harrisburg, Pa.

"I have used Ayer's Hair Vigor for several years and always obtained satisfactory results. I know it is the best preparation for the hair that is made."—C. T. Arnold, Mammoth Spring, Ark.

The system of permanent or continuing appropriations began ten years ago. Since that time it has grown into a great abuse. There are certain Government affairs for which money in ever-varying amounts must always be available. Provision for these can be made only by permanent, continuing appropriations. But a great variety of other matters have from time to time been added to the list. The Billion-Dollar Congress increased it largely in order to prevent any reduction of expenses by the democrats. The result has been to embarrass revenue calculations, to introduce uncertainty and extravagance at many points and to abridge the power of Congress to exercise a due discretion in regulating the annual expenditures. Mr. Sawyer, the new Chairman of the appropriations Committee, proposes a radical reform. He will prepare a bill removing from the permanent list every appropriation which does not manifestly belong there, and he calculates the amount of such at about \$83,000,000 a year. He estimates that under the reformed system Congress can effect a clear saving of \$30,000,000 a year on these items. The reform is badly needed.

A Burbank California special to the Express says: "Last night about 40 citizens assembled and requested a gang of eight Chinese section hands to leave town. The request was promptly complied with, the Chinese departing bag and baggage for Los Angeles. This is the last of the Chinese."

There is \$706,410,885 loaned by trust, safe deposit, insurance and other moneyed corporations, trustees of estates and private individuals on real estate in the city of New York.

**Always Giving Satisfaction:**  
Brandreth's Pills have always given satisfaction. In fifty years there has been no complaint of them. That is about half the life in the United States and millions of persons have used them. There is no doubt that they have established themselves by merit alone. They cure rheumatism, dyspepsia, piles, liver complaint, biliousness, and any disease arising from an impure state of the blood. One or two at night on an empty stomach for a week or two, will keep you in good form and tone up the system. They are purely vegetable, absolutely harmless, and safe to take at any time.

**WE HAVE TO EAT** anyway. The better the groceries the more enjoyable life is, and while we do not eat live simply to eat, we certainly eat to live. If you get your groceries and baked goods of Parker Brothers you are bound to live well if it is only on a loaf of rye bread. They keep the best in everything, and sell at prices that satisfy regardless of times. Call on them.

**A Valuable Remedy.**  
Hon Edmund L Pitts, the late president of the New York State Senate, writes: STATE OF NEW YORK, SENATE CHAMBER, ALBANY, March 11th, 1886. I have used Alcock's Porous Plasters in my family for the past five years, and can truthfully say they are a valuable remedy and effect great cures. I would not be without them. I have in several instances given some to friends suffering with weak and lame backs, and they have invariably afforded certain and speedy relief. They cannot be too highly commended.

**Move Along.**  
don't stand idle. Its the man who keeps moving that generally succeeds in life. You can't help moving on when taking Simmons Liver Regulator. It cleanses the system from all poison and sends the blood through the veins at a good rapid pace. The Regulator is the best insurance policy against indigestion and dyspepsia. Nothing marries about Simmons Liver Regulator.

**Ask Your Friends**  
Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another finds it indispensable for sick headache, others report remarkable cures of eczema, salt rheum and other blood diseases, still others will tell you that it overcomes "that tired feeling," and so on. Truly, the best advertising which Hood's Sarsaparilla receives is the hearty endorsement of the army of friends it has won by its positive and certain merit.

**NEW PHOTOGRAPHER.**—I have opened a new gallery in the Y. M. C. A. block, 2nd street, Albany, and will try hard to please all who will favor me with their patronage. I will take all sizes and styles of photos as good as the best and as cheap as the cheapest. I am now traveling photo here today and gone tomorrow, but have come with wife and children to make a home in your glorious climate. I have come to stay. Please call and see me and try my work. Very respectfully yours,  
S. A. HAMMILL,  
Late of Toronto, Canada.

**Marriage a Failure**  
Who shall decide it? We have concluded long ago that it is a success every time with Simmons Liver Regulator in the house. It promotes harmony and good nature by preventing any attack of the worst enemy; indigestion and dyspepsia, which make discord in the brightest home. You will find the regulator a good remedy for biliousness and sick headache. It is the household friend.

## TELEGRAPHIC NEWS.

### Rebels Defeated.

MONTEVIDEO, Sept 21.—The Brazilian rebel squadron, which sailed for the South, intending to bombard Santos, Portos Alegre and Rio Grande do Sul, has been defeated. When they arrived off Santos, the guns of the Republic and Patris were turned on the city. Land forces were awaiting the attack, and the shore artillery replied with vigor. The fight was kept up for two hours, when the rebel fleet hoisted anchor and sailed south. Desertions from the ranks of the revolutionists are daily reported. The government is strengthening its forces, hoping soon to dominate the situation.

### A Scene of Devastation.

GUTHRIE, O. T. Sept 21.—The scene of the recent terrible prairie fires on the Pawnee reservation is one of devastation. Scattered all over the prairie are partially burned wagons, wrecked camp outfits and charred remains of household goods, and here and there are bodies of horses. For miles, as far as the eye can reach, there is a black waste, and, to add to the horror, in a number of places are found blackened and burned human trunks. Nearly a dozen of these bodies have been found, and it is feared many have perished.

### Years of a Wreck.

NEW YORK, Sept 21.—In yachting circles in and out of New York the fear is freely expressed that the Valkyrie is at the bottom of the ocean, having come out second best in an encounter with the big cyclones that have worried seamen on the Atlantic during the past month. The only person who appears to be sanguine of the Valkyrie still riding the sea, and will make her appearance soon, is Designer Watson, who said he would not give her up until some definite news of misfortune having befallen her is received.

### The New Tariff Bill.

WASHINGTON, Sept 21.—A very prominent democrat on the ways and means committee says that the new tariff bill will be completed within a month. If congress is still in session, it will be immediately presented. The democrats on the committee feel, in view of the unrest among business men on account of the proposed revision, that the schedule should be made known as soon as possible, so that business can adjust itself to the new conditions.

### Released and Re-arrested.

ST. PAUL, Sept 21.—On a writ of habeas corpus Adolph Krug, the defaulting Seattle treasurer, was released today, but a proper warrant having been secured he was immediately re-arrested. When the habeas corpus case came up before Judge Egan it was shown that Krug was arrested by Frank Campbell, of Seattle, without the formality of a complaint. The judge said such proceedings were more agreeable to Russia than the United States.

### First Fire in 17 Years.

GERVAIS, Or, Sept 21.—At about 11 a m today the residence occupied by Mrs Schafala, a widow, caught fire and was burned to the ground with all its contents. The loss to the contents is \$300. The dwelling belonged to William Greves, of Corvallis, and was insured for \$500. The fire originated by a small boy's playing with matches. This is the first fire in Gervais in 17 years.

## ABSOLUTELY PURE

### Our Public Schools

Are the main-stay of our republic. In them are being cultivated the minds which are to be our future law makers and leaders in every walk of life. How essential it is that these minds should be united in strong, healthy bodies. So many children suffer from impurities and poisons in the blood that it is a wonder that they ever grow up to be men and women. Many parents cannot find words strong enough to express their gratitude to Hood's Sarsaparilla for its good effect upon their children. Scrofula, salt rheum and other diseases of the blood are effectually and permanently cured by this excellent medicine, and the whole being is given strength to resist attacks of disease.

### A GREAT CONVENIENCE.

World's fair visitors travelling via the Northern Pacific R R and Wisconsin Central line, are landed at the Grand Central station in Chicago. This magnificent fire-proof building, located in the heart of the city, has been fitted up as a hotel, run on the European plan, with about 200 rooms handsomely furnished and each room is supplied with hot and cold water, electric lights, etc. The charge for accommodations are reasonable, and parties can secure rooms in advance by calling upon agents of the Northern Pacific R R. By taking the Northern Pacific through car line to Chicago, visitors will avoid the discomfort of all transfer in that city, and can also travel between the Grand Central station and World's fair grounds by trains which run direct between the two points.  
C. G. BURKHART,  
Agent at Albany.

### Caution.

Imitations have been put upon the market so closely resembling Alcock's Porous Plasters in general appearance as to be well calculated to deceive. It is, however, in general appearance only that they compare with Alcock's, for they are worse than worthless, inasmuch as they contain deleterious ingredients which are apt to cause serious injury. Remember that Alcock's are the only genuine porous plasters—the best external remedy ever produced; and when purchasing plasters do not only ask for but see that you get Alcock's Porous Plasters.

### DOWN GO THE RATES.

The Union Pacific now lead with reduced rates to eastern points, and their through car arrangements, magnificently equipped Pullman and Tourist sleepers, free reclining chair car and fast time, make it the best line to travel. Two trains leave from Portland daily at 8:45 a m and 7:30 p m. The rates are now within reach of all, and everybody should take advantage of them to visit the World's fair and their friends in the east. Send for rates and schedules of trains, and do not purchase tickets until after consulting Curran & Monteith, Albany, Or.

They make you rich; especially when used to purchase Simmons Liver Regulator to cure your indigestion, dyspepsia, constipation or biliousness, or drive away malaria. Don't be tempted to take anything else in place of the Regulator.
