### The Best Medicine.

J. G. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I have tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely cured:

### Permanently Cured

by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I would not for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other pill I ever sold."—J. J. Perry, Spottsylvania C. H., Va.

### ENFORCE THE GEARY LAW.

A dispatch from Washington says that Assistant Secretary Hamlin has issued the following instructions to the collectors of customs at San Francisco concerning the Chinese held for violation of the Geary and other acts:

"Chinese persons, whether convicted under the Geary act or previous acts, must not be received by you, but must remain in custody of the marshal until deported. You are authorized to pay actual and necessary expenses incurred by the marshal in the transportation of Chinese from inland ports to San Francisco; also steamship charges for deportation on vouchers certified by the marshal to be taken by you in each case. You will be made special disbursing agent for this purpose. Should any case occur before your qualification as special disbursing agent, such expenses may be paid from funds in your hands, to be reimbursed from the Chinese appropriation. Make the best temporary arrangements practicable with the steamship companies as to rates and advise the department."

### Of Interest to Athletes.

James Robinson, the athletic trainer at Princeton College, Princeton, N. J., says: "I have found it imperative to have sure and simple remedies on hand in case of cuts, bruises, strains, sprains, colds, rheumatism, etc. Shortly after entering upon my profession, I discovered such a remedy in Alcock's Porous Plasters. I tried other plasters, but found them too harsh and irritating. Alcock's Porous Plasters give almost instantaneous relief, and their strengthening power is remarkable. In cases of weak back put two plasters on the small of the back and in a short time you will be capable of quite severe exercise. In 'sprain,' and 'distention' races and jumping, the muscles or tendons in the legs and feet sometimes weaken. This can invariably be relieved by cutting the plaster in narrow strips, so as to give free motion, and applying on muscles affected."

### TELEGRAPHIC NEWS.

#### Want Compromise.

WASHINGTON, Sept. 30.—The leading democratic senators, who have been trying for the last 48 hours to arrange the terms of an acceptable compromise on the silver question, considered a very determined obstacle today when they approached the republican anti silver men, who thus far have been acting with the democratic repeal forces. The republicans simply declare there is no common ground upon which they could act with the democrats longer if unconditional repeal is to be abandoned. When it came to negotiating for terms with silver, they announced their intention of flocking by themselves, and declared they were ready to fight a compromise to the finish.

#### A Bimetallic Convention.

ST. LOUIS, Oct. 1.—The arrangements are complete for the reception of the bimetallic convention, which meets here Tuesday. The meeting is in response to a call issued by the Pan American Silver League. Delegates will be present from all the silver countries of the continent, and bimetalists generally. The convention will be called to order at 10 o'clock Tuesday next at Armory hall, Nineteenth and Pine streets. Among the number who will attend are the governors of a number of western and southern states.

#### The Work Done.

WASHINGTON, Oct. 1.—Speaking of the work before the Oregon delegation in this congress, Mr. Harman says the practical completion of the two greatest public works in Oregon will relieve the river and harbor bill of nearly \$1,000,000 contain in the last. The next great new work with which our delegation must struggle is that for removing obstructions in the Columbia river between The Dalles and Celilo.

#### A Strange Death.

BUDA PESTH, Oct. 1.—A sensation was caused here today by the strange death of the vice-president of the lower house of the Hungarian diet, Count Andrássy A. Bokros. Count Bokros was found dead on the pavement below his residence. The second-story window was open and the police are of the opinion that while looking out of the window he fell and was killed.

#### Confident Corbett.

NEW YORK, Oct. 1.—It is the impression of everyone who visits the "Farm," where Champion Jim Corbett is now in hard training for his fight with Mitchell, that sturdy "Gentleman Jim" is fully twice the man he was a year ago. He shows in every way that he is quicker, stronger and more confident. He admits himself that he feels just twice as able and ready as when he stepped in the ring to meet Sullivan.

#### The Epidemic Abating.

HAMBURG, Oct. 1.—Three fresh cases of cholera and one death were reported in the city during the 24 hours ending at noon today. No fresh cases have developed in the suburbs. Since Sept. 15 there have been 119 cases here and 58 deaths. The epidemic is now losing ground rapidly.

#### The True Laxative Principle

Of the plants used in manufacturing the pleasant remedy, Syrup of Figs, has a permanently beneficial effect on the human system, while the cheap vegetable extracts and mineral solutions, usually sold as medicines, are permanently injurious. Being well informed, you will use the true remedy only. Manufactured by the California Fig Syrup Co.

Whatever may be the cause of blanching, the hair may be restored to its original color by the use of that potent remedy, Hall's Vegetable Sulfur Hair Renewer.

#### Self Praise.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others, no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merits it is only necessary to call attention to the cases they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

A GREAT CONVENIENCE.—World's fair visitors travelling via the Northern Pacific R. R. and Wisconsin Central line, are landed at the Grand Central station in Chicago. This magnificent fire-proof building, located in the heart of the city, has been fitted up as a hotel, run on the European plan, with about 200 rooms handsomely furnished and each room supplied with hot and cold water, electric lights, etc. The charge for accommodations are reasonable, and parties can secure rooms in advance by calling upon agents of the Northern Pacific R. R. By taking the Northern Pacific through car line to Chicago, visitors will avoid the discomfort of all transfer in that city, and can also travel between the Grand Central station and World's fair grounds by trains which run direct between the two points. C. G. BURKHART, Agent at Albany.

#### Our Public Schools

Are the main-stay of our republic. In them are being cultivated the minds which are to be our future law makers and leaders in every walk of life. How essential it is that these minds should be united in strong, healthy bodies. So many children suffer from impurities and poisons in the blood that it is a wonder that they ever grow up to be men and women. Many parents cannot find words strong enough to express their gratitude to Hood's Sarsaparilla for its good effect upon their children. Scrofula, salt rheum and other diseases of the blood are effectually and permanently cured by this excellent medicine, and the whole being is given strength to resist attacks of disease.

**DOWN GO THE RATES.**—The Union Pacific now lead with reduced rates to eastern points, and their through car arrangements, magnificently equipped Pullman and Tourist sleepers, free reclining chair car and fast time, make it the best line to travel. Two trains leave from Portland daily at 8:45 a.m. and 7:30 p.m. The rates are now within reach of all, and everybody should take advantage of them to visit the World's fair and their friends in the east. Send for rates and schedules of trains, and do not purchase tickets until after consulting Curran & Monteth, Albany, Or. W. H. HUBBARD, Ass't Gen'l Pass. Agent, U. P. Portland, Or.

**THE LADIES BAZAAR** have removed to their new store next to Foshay & Mason. They have again added a millinery department to their establishment and are now daily receiving all the latest novelties in that line. You are respectfully invited to call and see their new fall and winter goods in all their departments. Prices lower than the lowest.

**Green Goods.** Don't be tempted to invest in them. You will get into trouble every time and in the end poverty and disgrace. The genuine Uncle Sam's green goods are the only ones of value. They make you rich; especially when used to purchase Simmons Liver Regulator to cure your indigestion, dyspepsia, constipation or biliousness, or drive away malaria. Don't be tempted to take anything else in place of the Regulator.

**Ask Your Friends** Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another of rheumatism, another of scrofula, others report remarkable cures of eczema, salt rheum and other blood diseases. Still others will tell you that "overcome" has tried feeding, and so on. Truly, the best advertising which Hood's Sarsaparilla receives is the heavy endorsement of the ardent friends it has won by its positive medicinal merit.

**A Valuable Remedy.** Hon Edmund L. Pitts, the late president of the New York State Senate, writes: STATE OF NEW YORK, SENATOR CHAMBER, ALBANY, March 11th, 1890. I have used Alcock's Porous Plasters in my family for the past five years, and can truthfully say they are a valuable remedy and effect great cures. I would not be without them. I have in several instances given some to friends suffering with weak and low backs, and they have invariably afforded certain and speedy relief. They cannot be too highly commended.
