

The Best Medicine.

J. O. Wilson, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and

Permanently Cured

by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other pill I ever sold."—J. J. Perry, Spottsylvania C. H., Va.

HOW NEGROES TERRORIZZ SOUTHERN WHITES

Country schools for white children cannot be maintained where there is a negro population intervening. Some have been already broken up and abandoned for lack of patronage, patronage that would be given, but for the presence of the negroes. The tendency everywhere is for the whites to rent out their farms and move to the towns, where they can safely educate their children. All who can come do come, and now there are left in the rural districts none but the negroes and the poor whites, the poor whites who work the highways, serve on the juries and fight our battles in war, the poor whites for whom the negro has contempt and the Northern philanthropist no sympathy. Large sums of money are piled up in universities and colleges for the negro, piled up to teach him Greek and Latin and the sciences, for which he has no use, while hundreds of the poor whites cannot afford even the time that the country school would take from work. They know all this and feel it, and if ever a race war is precipitated, they will be in at the death. Poverty and the negro overshadow them. This momentous question is before the South. Seven millions of negroes are face to face with fifteen million whites. How much longer can they live in harmony? It is a more vital question than silver or gold or the tariff, and the Southern Congressmen who fail to consider it are either blind or lacking in statesmanship. It is the great national question, that will not down at our bidding.—Bull Ark in October Forum

Of Interest to Athletes.

James Robinson, the athletic trainer at Princeton College, Princeton, N. J., says: "I have found it imperative to have sure and simple remedies on hand in case of cuts, bruises, strains, sprains, colds, rheumatism, etc. Shortly after entering upon my profession, I discovered such a remedy in Alcock's Porous Plasters. I tried other plasters, but found them too harsh and irritating. Alcock's Porous Plasters give almost instantaneous relief, and their strengthening power is remarkable. In cases of weak back put two plasters on the small of the back and in a short time you will be capable of quite severe exercise. In 'sprain' and 'distention' races and jumping, the muscles or tendons in the legs and feet sometimes weaken. This can invariably be relieved by cutting the plaster in narrow strips, so as to give free motion, and applying on muscles affected."

TELEGRAPHIC NEWS.

Brave Troops.

MADRID, Oct 3.—Further particulars of the battle between Moors and Spanish troops, who were engaged in erecting a fort near Melilla, Morocco, show fighting of a most desperate character. Three hundred Spanish troops were attacked by 5000 Moors armed with Winchester repeating rifles. The Spaniards withstood their charges repeatedly, fighting with the utmost discipline and bravery till their ammunition was nearly exhausted, when they were forced to retreat and at the same time protect the laborers at work on the fort. Again and again on the retreat to Melilla the little body of troops seemed about to be overwhelmed by the force of the superior numbers and fanatical bravery of the Moors, but foaming back to back, they fought off their pursuers.

Repeat the Issue.

WASHINGTON, Oct 3.—W. M. Springer, of Illinois, chairman of the house committee on coinage, says: "There will be no compromise on silver repeal. If the senate does not pass the repeal bill, there will be no repeal of the federal election laws and no tariff legislation, and none of the democratic measures which it was hoped this congress would pass will be adopted. The bill to repeal the Sherman law will be kept before the senate, and will not be withdrawn before being voted on under any circumstances."

A Shooting Scrape.

GRANT'S PASS, Or., Oct 3.—A shooting scrape occurred in this city this morning, with the result that J. D. Rice lies in the city morgue, shot through the head and heart, and his slayer, Sam Black, is safely lodged in the jail. The woman in the case, who is a dissolute, is Black's wife, well known as Jet Black, but the two have not been living together for a year or more.

Arrested for Embezzlement.

SPokane, Wash., Oct 3.—James Hopkins, president and general manager of the Washington Farmer's Insurance Company was arrested today on a charge of embezzling \$21,000 in notes belonging to the company. He was released on bail, and will have a hearing Saturday. A warrant is also out for the arrest of Secretary Flynn on a similar charge.

An Immense Sturgeon.

ASTORIA, Or., Oct 3.—The largest sturgeon that has been caught on the Columbia river for several years was taken into S. Smith & Co's cannery at Keappton today. It weighed 755 pounds, and the head alone scaled 151 pounds. The length from tip to tip was 11 feet 8 inches. When cut and dressed, the huge mass tipped the beam at 427 pounds.

Remarkable Riding.

SPRINGFIELD, MASS., Oct 3.—W. W. Wible broke the world's record for a mile riding start at Hampden Park today, making it in 1:38 1/5. He was paced by Oimsted, Measure and Brothead on a tricycle, James Clark and Arnold on a tandem, and Sanger Precious to this trial he made the world's record for the half mile in 56 3/5.

Self Praised.

Self praise is no recommendation, but there are not times when one must permit a person to tell the truth about himself. When what he says is supported by the testimony of others, no reasonable man will doubt his word. Now, to say that Alcock's Porous Plasters are the only genuine and reliable porous plasters made is not self praise in the slightest degree. They have stood the test for over thirty years, and in proof of their merit is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations, and do not be deceived by misrepresentation. Ask for Alcock's, and let no solicitation or explanation induce you to accept a substitute.

Our Public Schools

Are the main-stay of our republic. In them are being cultivated the minds which are to be our future law makers and leaders in every walk of life. How essential it is that these minds should be united in strong, healthy bodies. So many children suffer from impurities and poisons in the blood that it is a wonder that they ever grow up to be men and women. Many parents cannot find words strong enough to express their gratitude to Hood's Sarsaparilla for its good effect upon their children. Scrofula, salt rheum and other diseases of the blood are effectually and permanently cured by this excellent medicine, and the whole being is given strength to resist attacks of disease.

DOWN GO THE RATES.—The Union Pacific

Green Goods.

Don't be tempted to invest in them. You will get into trouble every time and in the end poverty and disgrace. The genuine Uncle Sam's green goods are the only ones of value. They make you rich; especially when used to purchase Simmons Liver Regulator to cure your indigestion, dyspepsia, constipation or biliousness, or drive away malaria. Ask Your Friends

Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. One has been cured of indigestion and dyspepsia, another finds it indispensable for sick headache, others report remarkable cures of scrofula, salt rheum and other blood diseases. Still others will tell you that it overcomes all tired feeling, and so on. True, the best advertising which Hood's Sarsaparilla receives is the hearty endorsement of the army of friends it has won by its positive medicinal merit.

A Valuable Remedy.

Hon. Edmund L. Pitts, the late president of the New York State Senate, writes:

STATE OF NEW YORK, SENATE CHAMBER,
ALBANY, March 17th, 1886.
I have used Alcock's Porous Plasters in my family for the past five years, and can truthfully say they are a valuable remedy and effect great cures. I would not be without them, I have in several instances given some to friends suffering with weak and lame backs, and they have invariably afforded certain and speedy relief. They cannot be too highly commended.
