

SILVER MEETING.

The Pan-American Bimetallic League assembled at St. Louis yesterday. About 100 delegates were present.

Hon S S King of Kansas responded, touching the question of sectionalism and silver. He declared first that this country was able to get along without the economic aid of any foreign nation.

Governor G P Tillman, of South Carolina was chosen temporary chairman. In his address the governor took occasion to charge that the reduction in the anticipated numbers of delegates was due to the power of the press to smother the efforts of the masses to their proper place.

A former resident of the Willamette valley writes as follows: Los Angeles seems to stand and does stand the hard times better than any city of her size in the United States.

Dolph, in making his speech Monday on the repeal bill said that "if the national republican platform had been believed to mean free coinage, the republican party would have been dead and buried and damned beyond the hope of resurrection."

The public debt statement for September shows a decrease of \$408,277 cash in the treasury.

W M Springer, of Illinois, chairman of house committee on coinage, says: "There will be no compromise on silver repeal. If the senate does not pass the repeal bill there will be no repeal of the federal election laws and no tariff legislation, and none of the democratic measures which it was hoped this congress would pass will be adopted."

Manderson of Nebraska on the other hand, says there will be a compromise. It may not come for two or three weeks but it will come.

The foreign affairs committee have decided to report favorably the McCleary substitute for the Everett bill. As agreed on, it extends the Chinese registration period six months from the passage of the act.

CHILDREN

who are puny, pale, weak, or scrofulous, ought to take Dr. Pierce's Golden Medical Discovery. That builds up both flesh and strength.

For this, and for purifying the blood, there's nothing in all medicine that can equal the "Discovery."

In recovering from "Grippe," or in convalescence from pneumonia, fevers, or other wasting diseases, it speedily and surely invigorates and builds up the whole system.

For all diseases caused by a torpid liver or impure blood, Dyspepsia, Biliousness, Scrofulous, Skin and Scalp diseases - even Consumption (or Lung-scorfula) in its earlier stages - the "Discovery" is the only guaranteed remedy.
