Special Sale of Millinery.

For a few days I will sell at cost all the latest styles in millinery. Call and see my goods and prices. Ida M. Bresh.

GOOD EVENING.

A JUSTICE CASE.—A warrant was issued out of Justice L. M. Cull's court this forenoon for the arrest of Mrs. William Toole, residing west of the Calapooia. The side of the matter as given the DEMOCRAT is that the Hiatt Bros. had some trouble with Mr. Toole on account of leaving his bars down or gate open, so that a cow got out, and one of them threatened to whip him. Mrs. Toole got a revolver and calling on the Hiatts at their home inquired for the man who was going to whip her husband. He didn't appear. Then she had the hired man get in between the thills of a wagon and hunt it to her home, while she walked behind ready for emergencies. Constable Burkhardt went out this afternoon to make the arrest.

ONLY STOLE A HORSE.—A Salem attorney entitled to the bakery. He succeeded in acquitting a horse thief found with the animal in his possession, on the ground that the man stole the horse and not the horse. The defense was that the man while tired found a stray horse, borrowed it and rode on his way. The jury, which are sometimes very strange creatures, agreed with lawyer Kaiser and acquitted the man. According to the theory it would be as reasonable to convict a tramp of stealing a train when only stealing a ride, as to convict such a man of stealing the horse.

WHAT CAN IT MEAN.—Yesterday Jones found in an order of sweetcorn on a grocery store an ear that for form is peculiarly ominous. The base of the ear was an exact duplicate of a human wrist, while what is usually the ball end showed a growth of five distinct parts the exact counterpart of the five fingers and thumb of a human hand across the fingers. This growth is, no doubt, emblematic of the present hard times and there are those who believe the ominous sign is in representation of a Oregon man clinging onto his last dollar.—Statesman.

HIT A DOOR.—Saturday evening about 6 o'clock a shot was fired into the front of Mr. Fritz Bender, at the corner of 7th and Seventh streets. Some children were standing near, but were only frightened. Mr. Bender says when Mrs. Bender went to the door the gun was pointed at her. It was not known for certain who did it, but an effort will be made to capture the offender if his identity can be established. Another version of that it was entirely accidental.

I AM NOT selling millinery at cost but on Thursday you can buy any one of those elegant trimmed hats in our show window for \$2.00. No old stock fixed up for the season but everything new and the latest style. Mrs. H. J. Sower. Ladies Bazaar.

A GENUINE CLEARANCE SALE in ladies' shoes. Within the next 15 days we propose to dispose of 12 dozen pairs of French of Dongola kid, hand turned and machine sewed, opera and common sense lasts, sizes from 2 1/2 to 4 in all widths. These goods cost us regardless of cost. Ladies wearing shoes in these sizes will do well by calling on Klein Bros.

MILLINERY.—Mrs. M. Buoy and daughter hire to inform the public that they have moved into the rooms lately occupied by Mrs. Sower and are supplied with a line of millinery goods of quality and prices to suit the present hard times. Be sure to call and examine their goods before purchasing elsewhere.

Vierock's shaving and hair cutting parlor. Clean towels to every customer at Vierock's shaving parlor.

Dr. Price's Cream Baking Powder. Forty Years the Standard.

SOCIAL AND PERSONAL

Miss Roxie Roach, of Harrisburg, is visiting relatives in the city.

Mr. and Mrs. Geo. E. Fish, of Corvallis, left Sunday in Albany.

G. W. Simpson went to Portland this week to meet his Uncle R. H. Simpson, recently of Helix who will be in Portland day.

Mr. Otto Lee, who has been in the east some time is expected in Albany this week to resume his position with Hodges McFarland.

B. M. Huston and wife, of Albany, father and mother of our Bob, together with Perry Conn and family, arrived in Albany today to visit over Sunday.—Corvallis News.

A letter received by Dr. G. W. Maston from James J. Charlton at Silver City, New Mexico, brings the glad intelligence that he is still improving in health, having gained twenty pounds in weight since he went there.

The daughter of Mr. and Mrs. T. L. Dugan, of Seilo, aged about 16, died yesterday at her home in that city, of consumption. The deceased was a popular young lady whose death will be regretted by all who knew her.

HOME AND ABROAD

The Portland Welcome devotes nearly a column to R. F. Ashby, formerly of this city.

The P. O. Block when completed will be occupied by Uncle Sam, C. E. Brownell and Stewart & Sox on the ground floor.

Do you really believe that the Oregon Pacific railroad will be sold on or before December the 15th of the current year?

The Baptist state convention meets in Pendleton this week, Rev. G. W. Hill will attend from this city.

An Albany young man recently paid \$1.50 for a brass ring in order to help a young man to get to Portland. That is a chesnut.

You probably have the Albany Steam Laundry do your work. A large number do, but not all. Some cling to the Celestials. Better reform if you do and patronize white labor.

Capt. Overman today received forty-five new suits for F. Company. They are manufactured out of Albany Woolen Mill goods and are of standard pattern. The suits include overcoats.

Charles Millern, an O. P. employe was arrested on complaint out of Justice Cull's court today on the charge of enticing Port Spaght, the fourteen year old daughter of George Spaght, into the O. P. depot yesterday. The case was on trial this afternoon.

There are four residents of Albany over 90 years of age. Mrs. Althoase heads the list at about 94. Mr. John Smith, who was on First street Saturday will be 92 in Nov. and Mr. Olney Fry Senior in February. Mrs. Fisher is a little younger but very active. Mr. Fry walks several miles some days.

A few days ago the First National Bank of this city ordered from the mint at San Francisco \$100 in dimes. Thursday morning imagine their surprise when they opened the package and found it contained \$1000 worth, a mistake having been made.—Eugene Guard.

The chain which was found on the person of George Hammill, arrested Saturday for robbing the residence of H. J. Hopkins, proved to be the property of Mrs. Hopkins. A gold ring was also stolen and Hammill admitted to having thrown it away when caught by Marshal McFerron. He says he will plead guilty and ask for the lowest sentence of the court.

Hereafter the traveling public will be charged 50 cents instead of 75 cents a meal as heretofore at the Depot hotel at Ashland. Better meals are served there than at any eating house along the line.—Times.

Not according to the verdict of the traveling public. Albany is in the lead in this respect, and has only charged 50 cents for years.

The Eugene Guard scores the following on the arrest of a tramp, the Albany DEMOCRAT says: "Upon being searched a handsome ladies gold watch chain was found in his possession. The owner can obtain it by calling on Marshal McFerron." If that happened in Eugene all the ladies would be claiming the watch as they are all handsome.

MINUTE.

According to a report of the State Treasurer three counties have not yet paid their taxes for 1893 and eight for 1895. Better get a move on.

In the Portland Welcome a correspondent charges that a certain young lady who has been having trouble in Portland, had an abortion performed in this city in May three years ago.

A man in New York was arrested for stealing six cents and placed under \$1000 bonds. Had he embezzled several thousand dollars of other peoples money, like some of New Yorks popular cashiers have done, he would have been a great fellow and probably sent to the legislature.

One million dollars is expected to arrive in the burg next week to be used in buying wheat. It will go next to the granger, then to the merchant, on to the banker, whirly to the manufacturer, and the newspaper men with the claws of an eagle may—sit upon the curbstone—and see the dollars roll in by.—Portland Ex.

Probably every paper in the U. S. mentioned the little tug race between the Vigilant and the Muckie, one in itself not amounting to much; but as a national contest, it brings up the old fight of 1776, and we are all proud to see the Britishers whipped again and as often as possible, in all contests from a prize fight up through horse races, cricket matches, etc. to a diplomatic bout at arms. Hurrah for Uncle Sam.

Under the present tax law hundreds of men will pay heavy taxes now where they have not paid any for years. The indebtedness clause does the business. The gross value of his property does the business. The law will be a benefit to the man not in debt; but the other man will pay taxes on what he does not own to a certain extent. Had there been honest returns of notes and accounts heretofore the result would not be materially changed.

Last Monday, while on his way home from his farm near Cornelius, the horse driven by Uncle Dan Phillips became frightened at a boy carrying an umbrella and turned the buggy over, throwing the old gentleman out in the mud and water and spilling a can of milk, some cabbage and numerous other things on top of him.—Hillsboro Independent.

According to some people notions about such things a law should be passed right off prohibiting boys from carrying umbrellas.

The following touching appeal is published as a personal in the advertising columns of the Bueda. Wash., Enterprise: "Three or four years is not a lifetime, but it is a long time for a doctor to wait for his fee when his wife and babies are crying for bread and sorghum. I will take anything on account from a spring chicken to a hillside farm, but a settlement of some kind I must have. In future, a discount of 10 per cent will be given on all bills paid monthly."

What Do You Take.

Medicine for? Because you are sick and want to get well, or because you wish to prevent illness. Then remember that Hood's Sarsaparilla cures all diseases caused by impure blood.

Purely vegetable.—Hood's Pill—25c.

ON THE SOUTHERN BOUNDARY.

October 14th, 1893.

The annual game of "pusy wants a corner" is about over among our neighbors, and those unfortunate who failed to get "corners" have moved away to Eastern Oregon and other localities, while those who got places are gradually getting adjusted to their new quarters and ready for the winter which has seemed so near at hand.

Mr. Getchell has returned to his farm here, after a two years residence in the vicinity of Salem.

Granville Morrow and family have moved to the Conser place.

Mr. Williamson is moving his furniture into the Luckey house to remain until he gets possession of his own farm.

Mrs. Wallace, of Nebraska, and Miss Sallie Allingham, of Illinois, have recently visited their relatives here, but are now gone on a round of visits to Halsey, Salem and Monmouth, after which they will return here and may possibly remain all winter.

Mrs. James Curtis is moving from Harrisburg to the Cochrane place to keep house for her sons, who have rented the place.

But very little of the summer fallow has been sown here on account of the heavy rains, but now the weather is more favorable. It will probably all be sown and be in good time too.

Angelo McNary and wife have a new daughter, about two weeks old.

Miss Nellie Willoughby has returned home from quite a lengthy visit with friends at Brownsville.

The sale of the personal property of the G. R. Ward estate on the 7th inst. was well attended in spite of the pouring rain, and the property brought fair prices.

Messrs. Elliot and Southerland have moved to the Wilkins ranch north of West Point.

D. W. Allingham and wife, and Loren and Dollie Allingham, of Matoles, Crook county, were visiting here the first of last week.

John Barger and family and Frank Barger have gone to Eastern Washington to try farming there, and Mr. Healey has returned from Coburg to his farm recently occupied by them.

Wood sawing is the problem that now vexes three of the neighbors most. The roads have become too soft to venture on with the engine, so they will have to use horse power or saw their own wood.

Mr. and Mrs. Taylor spent part of last week with their son in Eugene.

Edgar Allingham is laid up with a badly sprained foot caused by his horse falling down with him last Saturday.

It is said that the Miss Isaacs, who walked here from Victoria, B. C., last summer, is now in very destitute circumstances.

Miss Herman, of Portland, is spending a few weeks with her parents here.

CORSETS.—All our Kabo corsets are made with the new patented soft eyelets which are warranted not to pull out or cut the laces. Their use prevents the back of the corset showing through the dress, and avoids staining of underclothing, which is the case when metal eyelets are used. We confidently recommend them, not only as a perfect fitting corset, but the most durable one in the market. Made in medium, extra long, and extreme long waist. For sale by Samuel E. Young, Albany, Oregon.

READ, PEACOCK & CO.

AT MEAL TIMES do you ever consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that your tea, coffee, sugar, baked goods and innumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.

WHO does your washing? It is to be hoped you send it to the Albany Steam Laundry, thus patronizing a first-class home institution that employs only white labor. The work too speaks for itself. Not after the fashion of the loud smelling Celestial washing, but on account of the superior manner in which it is done.

YES, YOU CAN see the finest line of samples for suitings in the state at W. R. Graham's, where he has a tailor with few equals on hand to make them up on short notice. Get the best and most stylish suits of him. A new feature will be the making of ladies' cloaks to order, or the altering of cloaks to the latest styles, and the repairing of cloaks. Prices are bottom ones.
