He had proceeded to clear the blind baggage of tramps, and after ejecting eight was attacked by one and the two rolled off the platform to gether. The train was then going too fast for Morlan to get back on so he will wait for the evening train. The brakeman says that during his five years on the line, this is the first time he has been left while ridling the train of bums. He was plucky, however, and stayed with the job he had undertaken.— Grants Pass Observer.

Had the Stuff.—The following is a letter received from the east in reference to the World's fair. The verdict seems universal; "Lwas greatly surprised at Oregon's exhibit at the fair. The fruit especially was simply grand." Capt Tuttle says: "I visited Oregon's exhibit at the world's fair. I consider it extremely fine in every respect; much better than our exhibit." It may be well to remark here that the amount appropriated by the state of Missouri for an exhibit at the world's fair was four times that of Oregon—but money alone would not do it, there had to be something else. Oregon had it and it got there.

Governor Pennoyer has again displayed his impudence and vast and varied ignor-ance in a Thunkegiving proclamation call-ing upon the people to pray that congress may restore to silver its "full legal-tender" quality. The standard dollars, of which 419,000,000 have been coined, are legal tender for 100 cents each, intrinsically-worth 53 cents. The people of Oregon ought to pray for wisdom to elect a better governor.—New York World.

AT MEAL TIMES do vou ever conside AT MEAL TIMES do vou ever conside the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome. Is it not worth while to make sure that you tea, coffee, sugar, baked goods and finnumerable other groceries are of the best quality? There is such a trifling difference in the prices of the best and the worst that it does not pay to buy the worst, even on the false ground of supposed economy. The best is always the cheapest, because the most satisfactory and durable, and the very best of everything in the grocery line is kept at Parker Bros.
